CONFIDENTIAL

SUMMARY

On February 3, 2015 at 1239 hours, Deputies from the Contra Costa County Office of the Sheriff Civil Unit arrived at 1020 Claudia Court #22 in Antioch to enforce an immediate move-out order of a temporary restraining order against Dewayne Ward and arrest him on an outstanding PRCS warrant. Information obtained from the Antioch Police Department and Mr. Ward's jail history indicated Mr. Ward had diagnosed mental illness and had a violent past, specifically toward law enforcement. The Civil Unit had knowledge of a call for service on December 31, 2014, when officers of the Antioch Police Department reported Mr. Ward barricaded himself inside the apartment while armed with a knife. The Civil Unit prepared an operations/contingency plan in an effort to deal with the potential threat. They sought the assistance of K9 Deputy Pliler in an attempt to use his dog to gain compliance of Mr. Ward. Additionally, the Civil Unit obtained a key to the residence from Mr. Ward's mother.

Once on scene, the Civil Unit conducted a lengthy "knock and announce," requesting Mr. Ward open the front door. The key was used to unlock the front door, however Mr. Ward locked the door from the interior. Forced entry was made with a hand-held ram and Mr. Ward fled into a bedroom. A second round of announcements was made at the bedroom door, and Mr. Ward refused to open the door. Believing Mr. Ward was potentially arming himself inside the bedroom, the hand-held ram was used to break the bedroom door. Once Mr. Ward was in view, deputies saw he was armed with a knife. Deputies deployed pepper spray and a Taser; neither had an effect on Mr. Ward. After making several announcements that he would deploy his dog if Mr. Ward did not comply with officers' commands, Deputy Pliler released K9 Anavi who bit Mr. Ward's right forearm.

Despite being bit by K9 Anavi, Mr. Ward ignored deputies' commands and charged at Deputy Pliler while swinging the knife in a stabbing motion. Deputy Pliler ordered Mr. Ward to drop the knife multiple times; Mr. Ward did not comply. At that time, Deputy Pliler was backed up against a wall and

had nowhere to retreat. Fearing he was going to be stabbed with the knife, Deputy Piller fired three rounds from his pistol into Mr. Ward.

Although Mr. Ward was struck by three bullets, he continued to struggle and fight with deputies who ultimately placed him in restraints. Deputies started life saving measures until they were relieved by Fire and paramedic units. Mr. Ward was pronounced deceased at the scene by Consolidated Fire Captain Wannamaker.

No deputies were injured as a result of this incident.

The Officer-Involved Fatal Incident Protocol was invoked and a joint investigation was conducted by the Office of the Sheriff, the Antioch Police Department and the Contra Costa County District Attorney's Office.

The investigation revealed no facts in direct conflict with those outlined in the initial background summary. Additional and clarifying information obtained during the criminal investigation includes the following:

On Monday, February 2, 2015, Deputy Bullard was tasked to create an operation plan for a move-out order to be served by the Civil Unit at 1020 Claudia Court #22 the following day. [REDACTED] obtained a temporary restraining order which included an immediate move-out order, against her son, Dewayne Ward Jr.

Deputy Bullard reviewed Mr. Ward's criminal history, jail history, and crime reports. He contacted Probation and was advised Mr. Ward was on probation for PC 69. Additionally, Deputy Bullard learned Mr. Ward had an active no-bail warrant for PC 3455(b)(1), a violation of his post-release community supervision.

Mr. Ward's criminal history began in 2005, when he was nineteen years old. He had been arrested for numerous offenses; those significant to this event were arrests for [REDACTED] and several charges of [REDACTED]. Many court hearings for the arrests resulted in findings that Mr. Ward was mentally incompetent per [REDACTED].

Based upon initial investigation by Deputy Bullard, as well as the subsequent protocol investigation, the following reports revealed **Mr. Ward's escalation of violence**:

1. Pittsburg PD case C05-3146: On April 24, 2005, officers were dispatched to [REDACTED] residence. [REDACTED] reported being battered by her brother, Mr. Ward. Officers determined the incident was mutual combat.
2. Pittsburg PD case C05-3191: On April 26, 2005, officers were dispatched again to [REDACTED] residence. [REDACTED] reported her brother would not leave her property and threatened to "kick her ass." When officers arrived, Mr. Ward appeared to conceal something in his waistband, did not comply with officer's orders, and "took an unprovoked aggressive fighting stance." Officers used minimal force to control Mr. Ward and he was arrested for [REDACTED].
3. Antioch PD case 10-2806: On March 28, 2010, officers were dispatched to [REDACTED] residence. [REDACTED] reported Mr. Ward assaulted her, [REDACTED] and [REDACTED] ([REDACTED]'s boyfriend). The family was uncooperative with officers and [REDACTED] was advised to contact the Office of the Sheriff to start an eviction process against Mr. Ward.
4. Antioch PD case 10-3851: On April 27, 2010, [REDACTED] requested officers respond to her residence because she was afraid Mr. Ward would assault her or her grandchild. When officers responded, Mr. Ward assaulted them. Officers deployed an electronic weapon, however it had no effect on Mr. Ward. After a physical altercation, they were able to detain Mr. Ward. He was subsequently placed on a [REDACTED].
5. Antioch PD case 11-6780: On August 19, 2011, officers were flagged down by [REDACTED] who stated Mr. Ward battered his sister with a shoe. [REDACTED] and [REDACTED] signed a

citizen's arrest form. During the arrest, Mr. Ward threatened [REDACTED] in officers' presence. He was arrested for [REDACTED]. An EPO was obtained against Mr. Ward.

6. CCCSO case 11-14819: On August 21, 2011, Mr. Ward was an inmate at the West County Detention Facility. When contacted by a deputy regarding a policy violation, Mr. Ward struck the deputy. Mr. Ward fought multiple deputies and ignored their commands. An electronic weapon was deployed multiple times, but it had no effect on Mr. Ward. One deputy fractured his hand during the physical altercation. Mr. Ward was arrested for [REDACTED].
7. Antioch PD case 12-326: On January 10, 2012, officers were dispatched to [REDACTED] residence for a family dispute. Mr. Ward had three outstanding warrants. When contacted, Mr. Ward threatened officers with a metal barbell collar, which [REDACTED] convinced him to drop. When Mr. Ward took a "bladed stance" and appeared to be preparing to fight the officers, one officer deployed an electronic weapon, which had no effect on Mr. Ward. Mr. Ward attacked the other officer and attempted to take the officer's firearm. The officer put Mr. Ward in a carotid restraint, which rendered him unconscious and they were able to restrain him in handcuffs. Mr. Ward was arrested for [REDACTED].
8. Antioch PD case 14-12670: On December 31, 2014, officers were dispatched to [REDACTED] residence. Mr. Ward assaulted and forced [REDACTED] out of the apartment and barricaded himself inside. Officers saw Mr. Ward with socks on his hands, holding a knife in the window. [REDACTED] did not cooperate with officers and officers ultimately left the residence. [REDACTED] was advised to get a restraining order with an immediate move-out order.

Deputy Bullard spoke to [REDACTED] who had obtained the restraining order against Mr. Ward. [REDACTED] said Mr. Ward had been recently released from Napa State Hospital and had not been taking his medication; he had become progressively violent over the last couple of weeks. She relayed details of the incident that occurred on December 31, 2014, when Mr. Ward assaulted her and pushed her out of the apartment. Since that date, [REDACTED] delivered food to Mr. Ward every few days. Although he would not open the door for her, she left the food and he would take it once she walked away. When asked about weapons in the apartment, [REDACTED] said there was a butcher knife in the kitchen and Mr. Ward had previously armed himself with "some sort of barbell" that may also still be in the residence.

Deputy Bullard prepared an operation plan to serve the move-out order on February 3, 2015. It was unusual to prepare an operations plan to serve a move-out order, however due to Mr. Ward's violent past, the Civil Unit decided to complete an operation plan (including a contingency plan) prior to the service. Deputy Bullard assigned Deputy Sullivan to carry a ballistic shield, Deputy Catuiza to carry a handheld less lethal 40 millimeter launcher, Deputy Watling to carry a handheld ram, Sergeant Buford to carry a rifle, and he carried a Taser. The operation plan included photographs of the exterior of the apartment unit within the building, a copy of the move-out order, booking photograph of Mr. Ward, criminal history and crime reports.

The Civil Unit requested a K9 officer from the Antioch Police Department assist with the move-out order. When they were unable to obtain assistance from the Antioch Police Department, they contacted K9 Deputy Piler, who agreed to come in to work before his shift to assist the Civil Unit. Additionally, Lieutenant Haynes contacted SWAT Assistant Commander Lieutenant Shields to advise them of the move-out order, in the event the SWAT team was ultimately requested.

The Civil Unit briefed at 0830 hours and again at 1215 hours at the Field Operations Bureau. All involved personnel were present for both briefings, except for Deputy Pliler, who was only present for the second briefing. The operations plan was reviewed, and tactics and contingencies were discussed.

After the second briefing, the Civil Unit (including Deputy Pliler) drove to 1020 Claudia Court in Antioch. Deputy Bullard met [REDACTED] at the apartment complex and she gave him a key to apartment 22. Deputies saw a Black male adult walk from the area of [REDACTED] apartment, who matched Mr. Ward's physical description. They determined this subject was not Mr. Ward.

Deputy Bullard stated during his interview that deputies formed a "stack" (line of deputies) and walked up the stairs to apartment 22. Deputy Bullard was second in the stack, directly behind Deputy Sullivan who was holding the shield. Deputy Bullard knocked on the front door of the residence and made announcements, "Sheriff's Office. Demanding entry. We have a move-out order. Sheriff's Office." After repeated announcements and knocking, Deputy Bullard attempted to unlock the door with the key. He felt the lock turn back to the closed position, and realized someone inside the apartment was relocking the door. Deputy Bullard heard someone inside the apartment yelling at them. Deputy Bullard continued to try to unlock the door with the key, but was unable to turn the lock.

The deputies moved around on the small landing at the top of the stairs, to allow Deputy Watling to move toward the front door with the handheld ram. Deputy Watling hit the door with the ram numerous times, until he was able to open the door. Deputy Bullard heard Deputy Watling say, "He went into the bedroom."

Deputies entered the apartment and moved to the closed bedroom door on the left. Deputy Bullard said he was on the left side of the bedroom door, Deputy Watling was in the center, and Deputy Pliler was on the right side. Deputy Bullard could not see the positions of the other deputies, because the area by the bedroom door was very small. The door was locked and the deputies knocked on the door. They were unsuccessful in pushing the door in, so Deputy Watling hit the door several times with the ram. The top portion of the door cracked and exposed a small opening at the top. Deputy Pliler sprayed OC spray through the opening into the bedroom, which did not appear to have any effect on Mr. Ward.

Deputy Watling pulled on the top of the door, and Deputy Bullard saw Mr. Ward sitting on a bed inside the room. Deputy Bullard drew his Taser "because the OC spray had zero effect." He yelled, "Taser," and deployed his electronic weapon, but was unsure if the probes hit Mr. Ward because it was dark in the room. Deputies Pliler and Watling were able to remove the lower portion of the door, and Deputy Pliler told Deputy Bullard to "turn the Taser off and take the prongs off." Deputy Bullard turned off the Taser, removed and dropped the cartridge, and re-holstered the Taser. As he did this, Deputy Pliler released his K9 into the bedroom.

Deputy Bullard saw Mr. Ward standing up, struggling and fighting with what he assumed was the dog. As Mr. Ward stood up, Deputy Bullard saw a knife in his left hand in an upright position. He estimated the blade was approximately six inches long. Deputy Bullard heard someone yell, "Knife." He then heard someone say, "Drop the knife. Drop the knife." Mr. Ward moved toward Deputy Pliler, who was now standing in the middle of the doorway. Mr. Ward swung the knife back and forth as he advanced toward Deputy Pliler. Deputy Bullard said at this time he was afraid for his life (he was

standing behind Deputy Pliler) and afraid for Deputy Pliler's life. Deputy Bullard heard someone say again, "Drop the knife. Drop the knife," and then heard three gunshots. Mr. Ward fell to the floor and Deputy Bullard saw the knife fall out of his hand.

Deputies pulled Mr. Ward into the hallway and rolled him onto his stomach to handcuff him. Mr. Ward thrashed around, kicked and refused to cooperate with deputies' commands. Eventually they were able to place ankle restraints on Mr. Ward's wrists, and he was lying face down at this time. Deputy Bullard and Per Diem Deputy McDonald dragged Mr. Ward into the living room where there was more space. They rolled Mr. Ward onto his side and he urinated. He continued to move around and they told him to "stop moving and calm down." They checked his pulse and made sure there was nothing blocking his breathing or moving. Mr. Ward said, "I can't breathe," so deputies offered to move Mr. Ward to a sitting position; when they tried to move him he was too heavy. They rolled him back over onto his side while they waited for medical personnel to arrive. Fire and paramedic personnel arrived and rolled Mr. Ward onto his back and attended to him. As he was turned over, Mr. Ward gurgled and had blood coming from his mouth.

During the interview, Deputy Bullard told investigators he would have shot his firearm at Mr. Ward, but Deputy Pliler was in front of him. Deputy Bullard estimated Mr. Ward was approximately two and one-half to three feet away from them when he started to advance toward Deputy Pliler with the knife.

Deputy Watling stated during his interview that he was third person in the stack of officers as they approached the apartment to serve the move-out order. Deputy Bullard knocked on the front door of the residence while announcing, "Sheriff's Department." Deputy Bullard put the key into the lock and turned the key. Deputy Watling saw the key turn back into the locked position and heard the door lock. Deputy Bullard continued to make announcements and Deputy Watling heard someone inside the residence say something similar to, "This is my house."

Deputy Pliler positioned himself with his dog near the front door and Deputy Watling began to hit the door with the ram. The original plan if Mr. Ward did not open the door, was for Deputy Watling to breach the door open with the ram and Deputy Pliler would send his dog into the apartment. Deputy Watling hit the front door several times with the ram and was able to open the door. He saw Mr. Ward run into a room to the left (which he assumed was the bedroom) so he yelled, "Ran in the bedroom, shut the door." At this time Deputy Pliler led the way to the bedroom door. Deputy Pliler pushed on the bedroom door while saying, "Sheriff's K-9, come out, come out."

Deputy Watling tried to turn the door knob of the bedroom door and it did not turn; he was unable to get the door open at all. Deputy Pliler pushed his shoulder against the door and kicked it once or twice, causing the door to open a small amount. Deputy Watling looked as the door opened slightly and saw Mr. Ward standing in the corner of the room with "something shining" in his hand. Deputy Watling believed he was holding a knife, so he yelled, "Knife." Deputy Watling used the ram to hit the bedroom door. The door cracked down the middle and started to bow at the top. Deputy Watling pulled down on the top of the door as Deputy Pliler sprayed pepper spray into the room through the opening at the top of the door. Deputy Watling did not know if the pepper spray hit Mr. Ward. Deputy Pliler continued to announce to Mr. Ward that he (Pliler) would let his dog into the room if Mr. Ward did not come out of the room.

Deputy Watling broke the top of the door off, and kicked in the bottom half of the door. Deputy Pliler released his dog into the bedroom. Both Deputies Pliler and Watling had their firearms unholstered

and pointed at Mr. Ward. Deputy Pliler ordered Mr. Ward to "drop the knife" five or six times. Mr. Ward fell down on the bed and got back up; Deputy Watling was unsure if this was due to the dog biting Mr. Ward or if he tripped. The K9 bit Mr. Ward and he screamed. At this time, Deputy Watling was standing in the doorway and Deputy Pliler was inside the doorway, in front and to the left of Deputy Watling. Mr. Ward moved toward Deputy Pliler with the knife in his hand, until he was less than three feet from Deputy Pliler. Deputy Pliler shot his pistol three times at Mr. Ward and Mr. Ward fell to the floor. Deputy Watling said the only reason he did not shoot his firearm was because Deputy Pliler was in front of him. Deputy Watling said he feared for his safety because Mr. Ward was in very close proximity to him and Deputy Pliler, as he came at them while swinging the knife.

Deputy Watling transmitted on his radio, "Shots fired." Deputy Bullard and Per Diem Deputy Worthan pulled Mr. Ward into the hallway. They tried to handcuff Mr. Ward but he fought and resisted deputies' attempts to restrain his wrists. Deputies rolled Mr. Ward on his side and he was breathing while they waited for the medical personnel to arrive.

Deputy Pliler stated in his interview that he was contacted by Deputy Sullivan, who asked if he would assist the Civil Unit with the service of a move-out order. Deputy Pliler attended the briefing at the Field Operations Bureau at approximately 1230 hours. He was advised of Mr. Ward's criminal history, violent history against officers, mental health illness and was also told details of the restraining order and move-out order. The briefing included discussion of tactics the team would use to make entry into the apartment.

Deputy Pliler responded to the apartment complex with the Civil Unit and they waited for Mr. Ward's mother to arrive with a key to the apartment. While they were waiting, deputies saw a subject walking near Mr. Ward's apartment who matched his physical description. They confirmed the subject was not Mr. Ward. After obtaining the key, the deputies went up to the apartment; Deputy Pliler was the last person in the stack and he had K9 Anavi with him.

Deputy Pliler could not see to the top of the stairwell, but he heard someone yell, "Sheriff's Office." Deputy Bullard tried to open the front door with the key, and said someone inside the apartment shut the door. Deputy Pliler moved up to Deputy Bullard's location at the door. Deputy Bullard continued to try to unlock the door, but the door re-locked each time. Deputy Pliler made at least two announcements of, "Sheriff's Office K9. Come out now or the dog is going to be used and you may be bit." He heard someone inside the apartment say something similar to, "Get away from my house." Deputy Watling hit the front door with the ram several times, and was able to open the front door. Deputy Watling said Mr. Ward ran to a bedroom.

Deputy Pliler gave K9 Anavi the command to search the apartment and apprehend the subject (Mr. Ward) for the following reasons:

1. Mr. Ward was a wanted felon,
2. He was known to fight the police,
3. His mother said he was known to carry a large butcher knife,
4. He was aware of the police presence,
5. He knew the layout of the apartment better than the police, and
6. It was safer for the dog to go into the apartment instead of the deputies going in first.

K9 Anavi went to the bedroom door which was closed. Deputy Pliler made at least two more K9 announcements at the bedroom door, before kicking the door twice. The door moved in slightly then closed again with each kick. There was no locking mechanism on the door, so he knew someone was on the other side of the door, pushing on the door to keep it closed. He heard a male voice say, "Get out of my house."

Deputy Watling hit the bedroom door with the ram; the top portion of the door folded in and came back up two times. Deputy Pliler heard someone say, "He's got a knife," and he saw something come through the door. Deputy Pliler sprayed his pepper spray through the crack in the door. Deputy Watling was able to force the door open. Deputy Pliler heard a Taser discharge and saw the leads (wires) go into the bedroom; he did not know who deployed the Taser.

Deputy Pliler moved into the bedroom while holding K9 Anavi; he prepared to control Mr. Ward while he was under the effect of the Taser. Instead, he saw Mr. Ward getting up off the floor to his right side. Mr. Ward had a knife in his left hand that was approximately six to eight inches long. Deputy Pliler gave K9 Anavi the "apprehension command" while he drew his firearm. K9 Anavi circled behind Mr. Ward and bit (and held onto) Mr. Ward's right forearm.

Deputy Pliler illuminated the tactical light on his firearm and pointed it at Mr. Ward. Mr. Ward stood up and dragged K9 Anavi as he advanced toward Deputy Pliler while swinging the knife in a backhand motion. Deputy Pliler commanded, "Drop the knife or I'll shoot you." As Mr. Ward continued to move toward Deputy Pliler, he repeated his command, "Drop the knife or I'll shoot you." Deputy Pliler backed up to create distance between him and Mr. Ward, however he backed into a wall and had nowhere to retreat to. As Mr. Ward swung the knife, Deputy Pliler had to pull in his arms to prevent his hands and firearm from being hit by the knife. Deputy Pliler then pushed out his arms and fired his firearm three times as he moved forward. He believed the first two rounds struck Mr. Ward in his armpit area and the third round possibly hit Mr. Ward's shoulder, as he was still moving toward Deputy Pliler or falling toward him. Mr. Ward fell out of the door, onto his left side; K9 Anavi was still biting his right arm and he was holding the knife in his left hand.

Deputy Pliler saw Mr. Ward throw the knife back toward the bedroom, and did not believe any of the deputies told him to do this. Deputy Pliler retrieved K9 Anavi and asked other deputies to handcuff Mr. Ward. Mr. Ward resisted and tried to prevent the deputies from handcuffing him. Deputy Pliler requested "Code 3 medical" via his portable radio. The other deputies pulled Mr. Ward into the living room. Deputy Pliler advised them to roll Mr. Ward onto his side. He then took K9 Anavi out of the apartment. As he left, Mr. Ward appeared to be conscious and breathing.

Deputy Pliler said when Mr. Ward was advancing toward him while swinging the knife, he felt that if he did not shoot Mr. Ward, then he would be stabbed with the knife.

Fire and paramedic personnel were interviewed regarding their response. Upon arrival of Fire personnel, they were told by deputies that Mr. Ward was "barely" breathing. Mr. Ward did not have a pulse, however electrical activity was detected on their monitor so they began CPR. Paramedics arrived shortly thereafter. After the first round of CPR, Fire personnel paused to review the monitor; Mr. Ward's electrical activity was in the range of traumatic arrest. Consolidated Fire Captain Wannamaker pronounced Mr. Ward deceased at 1312 hours.

FORENSIC INVESTIGATION

On February 15, 2015, Doctor A. Josselson performed an autopsy of Dewayne Ward. He determined the medical cause of death to be gunshot wound of the right chest and abdomen and gunshot wound of the left chest.

On June 23, 2015, a Coroner's Inquest was conducted and the jury unanimously ruled the mode of Mr. Ward's death was **at the hands of another, other than by accident**.

Upon review of the cited Office of the Sheriff departmental policies, it appears all applicable policies and procedures were followed properly.

Office of the Sheriff General Policy and Procedure Section 1.06.61 – Use of Force states in part:

I. POLICY.

- A. *Deputies shall use only that degree of force that is **objectively reasonable to protect themselves and others**, or to overcome resistance to their lawful authority.*

III. GENERAL.

- A. *DECISION TO USE FORCE. A Deputy's decision to use force shall take into consideration the facts and circumstances of each individual situation. Factors a Deputy should consider when deciding to use force in a given situation include but are not limited to:*

1. *Severity of the crime at issue;*

2. ***Whether the suspects pose an immediate threat to the safety of Deputies or others;***
3. *Whether the suspects are actively resisting arrest or attempting to evade arrest by flight;*
4. *The time available to make decisions;*
6. *Proximity to potential weapons (the Deputy's or others);*
7. *Age, size and relative strength of Deputy versus suspect;*

11. ***Knowledge of/or prior contacts with suspect;***
12. ***The opportunity when feasible to give a warning in cases where force may result in serious injury, unless such a warning would increase the risk of greater injury to Deputies, citizens, or the suspect;***

Deputy Bullard prepared an operation plan prior to the service of the move-out order. He gathered and disseminated intelligence to all involved personnel regarding Mr. Ward's outstanding arrest warrant and violent history, specifically against law enforcement. Additionally, deputies were aware of Mr. Ward's mental illness before they contacted Mr. Ward.

Mr. Ward's mother advised Deputy Bullard there was a butcher knife inside the apartment. Mr. Ward armed himself with the knife and swung it at Deputies Piler, Bullard and Watling within the confined space between the entrance to the bedroom and small adjoining hallway.

Deputy Piler considered the factors listed above before deciding to use deadly force. Additionally, less lethal force options were deployed, including the deployment of Deputy Piler's K9, but these force options were unsuccessful against Mr. Ward. Furthermore, prior to firing his pistol, Deputy Piler made several announcements that he would shoot Mr. Ward if he did not drop the gun.

D. ***FORCE OPTIONS.*** *The Office of the Sheriff recognizes a Deputy's need for a degree of flexibility in making use of force assessments given the fluid dynamics of a confrontation. The standard for evaluating a Deputy's use of force is "reasonableness under the facts and circumstances known to the Deputy at the time." Therefore, a Deputy may choose any of the following force options, including no use of force, provided the force option selected is objectively reasonable.*

4. ***Chemical Agents.*** *Includes substances in either liquid or solid form, including chloroacetophenone (CN), chlorobenzylidene malononitrile (CS), or oleoresin capsicum (OC).*

- a. ***Pepper Spray.*** *Oleoresin Capsicum (10% by volume.)*

Deputy Watling first noticed Mr. Ward was armed with a knife, while deputies attempted to hit the bedroom door open. Deputy Watling announced, "Knife," to other deputies. Deputy Pliler deployed pepper spray into the bedroom, through a small opening in the top of the door. Due to limited visibility into the bedroom as well as low lighting conditions, Deputy Pliler was unable to see if the pepper spray hit Mr. Ward.

5. Electronic Weapons may be used to:

- a. Control, detain or arrest a person who is actively resisting and/or poses an immediate threat to the Deputy or others.

Deputy Bullard saw the pepper spray had no effect on Mr. Ward, so he drew his electronic weapon (Taser). After Deputy Watling pulled the top portion of the door out of the way, Deputy Bullard announced, "Taser," and deployed his electronic weapon. Because the bedroom was dark, he was unable to see if the probes made contact with Mr. Ward. Deputy Pliler moved into the bedroom, planning to control Mr. Ward while he was under effect of the electronic weapon. He saw Mr. Ward was not affected by the Taser and was getting up from the floor.

Deputy Pliler saw a knife in Mr. Ward's hand as he rose from the floor. Deputy Pliler gave K9 Anavi the "apprehension command" while he drew his firearm. K9 Anavi bit Mr. Ward's right forearm, but this appeared to have little to no effect, because Mr. Ward advanced toward Deputy Pliler while dragging K9 Anavi along with him.

- G. USE OF FIREARM/DEADLY FORCE.

1. A firearm may be discharged only for one or more of the following circumstances:

HONOR COURAGE COMMITMENT LEADERSHIP TEAMWORK

- c. *When necessary in the defense of one's own life or to prevent serious physical harm;*
- d. *When necessary in the defense of any person in immediate danger of death or serious physical injury;*

Mr. Ward advanced toward Deputy Pliler, while swinging the knife. Deputy Pliler pointed his firearm at Mr. Ward and gave him several commands to drop the knife or he would be shot. Mr. Ward ignored the commands and continued to move forward. Deputy Pliler attempted to back up to gain space between him and Mr. Ward, however he back up against the wall near the bedroom door and was unable to retreat from Mr. Ward. Mr. Ward swung the knife so close to Deputy Pliler that he (Pliler) had to pull his arms and firearm in close to his body, in order to not be hit with the knife. Deputy Pliler fired three rounds into Mr. Ward. He stated if he had not shot his firearm, he believed he would have been stabbed by Mr. Ward.

Additionally, Deputies Bullard and Watling were standing directly behind Deputy Pliler. Both Deputy Bullard and Deputy Watling stated they were in fear of Deputy Pliler's safety, as well as their own, because Mr. Ward was swinging the knife while advancing very close to them. Deputy Bullard and Deputy Watling each stated they would have fired their guns at Mr. Ward, had Deputy Pliler not been standing in front of them.

V. *PROCEDURE 2.*

- A. *PROVIDING MEDICAL AID AFTER USE OF FORCE. When use of force causes injury, which would reasonably require medical attention, the Deputies using such force will ensure the injured person received proper medical attention as soon as possible.*

Immediately after Deputy Pliler shot Mr. Ward, deputies detained Mr. Ward in restraints, despite his continued attempts to fight and struggle with them. A request for "Code 3 medical" was requested via radio by Deputy Pliler. Deputies pulled Mr. Ward into the living room where there was more room to attend to him. They rolled Mr. Ward on his side into a "recovery position." When Mr. Ward said he could not breathe, deputies tried to move him to a sitting position, but realized they were unable to hold him upright so they laid him back down on his side. Deputies made sure nothing was blocking Mr. Ward's movement and monitored his breathing while Fire and paramedic personnel arrived.

Fire and paramedic personnel attempted life-saving measures, although Mr. Ward did not have a pulse. Mr. Ward was declared deceased after the first round of CPR.

Deputy Bullard, Deputy Watling and Deputy Pliler's actions and use of force during the incident were objectively reasonable to protect their lives. Additionally, their actions were lawful, justified and proper, and in accordance with the Contra Costa County Office of the Sheriff policies and procedures.

This incident involved the death of Dewayne Ward, resulting from Deputy Pliler using deadly force to protect his own life and the lives of Deputies Bullard and Watling. Fire and paramedic personnel responded to the apartment and Mr. Ward was declared deceased at the scene. Subsequently, the Law Enforcement Involved Fatal Incident Protocol was invoked. A parallel investigation was conducted by investigators of the Office of the Sheriff, Antioch Police Department and District Attorney's Office.

13. Narrative / Statements

I am currently a Detective with the Contra Costa County Office of the Sheriff, Investigation Division, Homicide Unit. Cross Reference this case with Antioch Police Report #15-1230.

NOTIFICATION:

On 02/03/2015 at approximately 1325 hours, Sergeant Gardner told me the Law Enforcement Involved Fatal Incident Protocol had been invoked due to an Officer Involved Shooting in the City of Antioch. Sergeant Gardner asked me to meet him at the crime scene located at 1020 Claudia Ct., #22, Antioch. CCCSO Dispatch contacted the DA's Office Inspectors and Antioch Police Department regarding the need for investigators. At approximately 1350 hours, I arrived at the crime scene and met with Sergeant Gardner and Lieutenant Beltran. Lt. Beltran relayed the following information he had previously obtained during the initial safety briefing:

K-9 Deputy Piller had been assisting the Sheriff's Office Civil Unit in serving a move out order and arrest warrant when the suspect assaulted him, forcing him to fire his service weapon at the suspect. Deputy Piller believed he had fired three shots, all within the residence where they were attempting to serve the move out order. The suspect had been pronounced deceased at the scene.

It was determined that our incident briefing with all involved investigators would be held at the Antioch Police Department.

CRIME SCENE:

Before attending the briefing, I looked at the apartment where the shooting had occurred.

The crime scene is located at the "Casa Blanca" apartment complex at 1020 Claudia Ct., Antioch. The Civil Unit had responded to unit #22 at the complex to serve a move out order and arrest warrant on SUS-Ward, Dewayne Jr. The unit is located on the northeast side of the multi-building complex. The unit is on the upper level of a two story building, adjacent to the swimming pool of the complex. The front entry door to the unit faces north and is accessed by a concrete stairway. The front door is clearly marked with a white sticker containing the numbers "22".

I walked up the stairs to the front door of unit #22 and could see the front door was wide open and had been damaged. It appeared the door had been forced open by a ramming device. I could see the body of Ward lying in the front room area of the residence. Ward's feet were pointed to the door and he was lying face up on the carpet. It appeared Ward's hands were handcuffed behind his back. Ward's chest had a "sucking chest wound" bandage on his upper left side and approximately four EKG stickers on his torso. The apartment was in disarray, with food products, dirty dishes, and bags of garbage throughout the residence.

BRIEFING:

At approximately 1500 hours, I attended the briefing at Antioch Police Department. The briefing was conducted by APD Sergeant Fuhrmann and Sergeant Gardner. Because he obtained the initial safety statement from Deputy Piller, CCCSO Lt. Beltran gave the following information regarding the incident:

The civil unit had been tasked with serving a temporary restraining order which included a move out order at 1020 Claudia Ct. #22, Antioch. The subject of the restraining order was SUS-Ward, Dewayne. While planning the service of the restraining order, the Civil Unit deputies learned Ward had a warrant for PC 3455(b)(1), a violation of his post release community supervision,

AB109. The deputies also learned of Ward's history of violence with law enforcement as he had been convicted of [REDACTED] had been arrested multiple times for violence against law enforcement, and had been involved in various incidents of fighting deputies while in custody. The restraining order also contained a hand written statement by Ward's mother in which Ward was violent with her and had taken over her apartment, not letting her inside. Ward's mother described him as being mentally ill.

Because of Ward's criminal history, mental health history, his large size, and propensity for violence, the Civil Unit decided to form an Operations Plan and utilize as many resources as they could. Lt. Shields, the assistant CCCSO SWAT commander, had been notified of the operation. Lt. Shields then notified Lt. Beltran, the SWAT commander, of the planned operation. The Civil Unit deputies asked K-9 Deputy Piller to join them for the operation and briefed at the FOB. Once on scene, the deputies obtained a key from Ward's mother and went to serve the court order. Ward barricaded himself in a bedroom within the residence. Once the bedroom door was forced open, Ward charged at Deputy Piller with a knife. Deputy Piller fired three rounds from his service weapon at Ward, believing he hit him at least twice. Confire paramedics were summoned and rendered aid to Ward until pronouncing him deceased at 1312 hours.

APD Lt. Aguinaga also spoke at the briefing regarding an incident that occurred at the location with Ward on 12/31/2014. Lt. Aguinaga told us the following:

On 12/31/2014, Antioch Police Officers responded to the residence at Claudia Ct. at the request of Ward's mother, [REDACTED] reported Ward hit her in the head during an argument and locked her out of her apartment. [REDACTED] told Antioch Police officers that she would not press charges or participate with any prosecution against Ward but wanted him out of her house. Because Ward had been staying with [REDACTED] prior to this incident and [REDACTED] did not desire prosecution, Antioch Police told her they would document the incident but could not remove him without a court order. While they were on scene, Antioch police officers watched Ward waving a knife in the air at the window of the apartment. Antioch police officers left the scene after confirming [REDACTED] would not participate in prosecution of this incident.

Supervising Deputy District Attorney Barry Grove assigned Inspector Aaron Ross as the lead investigator for their agency. APD Sgt. Fuhrmann assigned Detective Stenger as the lead investigator for their agency. Sergeant Gardner assigned me as the lead investigator for the Sheriff's Office, along with my partner, Detective Frazier. Per the LEIFI protocol, each investigative team was made up of investigators from all three agencies. The following investigators were assigned tasks:

Myself, Detective Frazier, APD Detective Stenger, Inspector Ross - Interview Deputy Piller, Deputy Catuiza, Deputy Watling, and Sergeant Buford

Sergeant Garry, APD Detective Lowther, and Inspector Swatman - Interview [REDACTED] (mother of SUS-Ward, Dewayne), [REDACTED] and other available family members

Detective Holland, APD Detective Colley, Inspector Trujillo - Interview Deputies Bullard, McDonald, and Worthan

Detective Busch, APD Detective Lopez, Inspector Richie - Neighborhood Canvass interviews

Detective Sears, APD Detective Hoffman, Inspector Riverra - AMR/Confire Medical personnel interviews

Crime Scene Investigators Peetz and Crain, CCCSO Detectives Norvell and Valkanoff - Process crime scene and execute search warrant.

13. Narrative / Statements

At the conclusion of the briefing, I returned to the Field Operations Bureau to conduct the interviews of the involved deputies. Each deputy had been brought to the FOB and sequestered pending their interviews. Legal Defense Fund attorneys from Rains, Lucia, Stern met with the deputies and determined which ones needed legal representation for their interviews.

Detective Sosa authored a search warrant for the residence of SUS-Ward, Dewayne. The warrant was signed by the Honorable Judge Kennedy. See Detective Sosa's supplement for details. Detectives Norvell and Valkanoff executed the warrant and assisted with the processing of the crime scene. See Detective Valkanoff's Supplement for details and a copy of the crime scene log. CSI Peetz and Crain photographed and documented the crime scene. They also collected and booked evidence from the scene. Refer to CSI Peetz' supplement for details.

Detectives Amott and Morris provided me with copies of the certified dispatch log and CD. They also obtained various police reports and information regarding Ward's previous criminal activity. They gathered reports from the Sheriff's Office (patrol and detention), Antioch Police, and Pittsburg Police. I booked a copy of all of the reports and the dispatch log into Sheriff's Office Evidence.

INTERVIEW OF SERGEANT BUFORD:

At approximately 1845 hours, Detective Frazier, APD Detective Stenger, DA Inspector Ross and I interviewed Sergeant Buford in the Library room at the FOB. Sergeant Buford did not have legal representation in his interview but had consulted with LDF attorneys prior to the interview. The interview was audio recorded and a copy booked into Sheriff's Office Evidence. See recording for exact verbiage.

Sergeant Buford attended the police academy in 1999 and came to work for the Sheriff's Office just after graduating. Sergeant Buford was initially assigned to the West County Detention Facility. Sergeant Buford has since been assigned as a patrol deputy and patrol training officer. Sergeant Buford was also assigned as a deputy in the Custody Alternative Facility. Sergeant Buford was promoted to the rank of sergeant and was assigned as the sergeant for the Civil Unit in September of 2011 and remains in that position currently. His normal work schedule is 0700 to 1700 hours, Monday thru Thursday.

The Civil Unit was assigned to serve a Temporary Restraining Order containing a move out order. Typically, when the Civil Unit serves a move out order the subject is asked to gather a few belongings and get out of the residence within a matter of minutes. Before serving this move out order, the deputies checked the subject, SUS-Ward Dewayne, for warrants and found he had a felony warrant for his arrest. They also learned Ward had several [REDACTED] charges in his history and that he had fought with Antioch Police officers in the past. In addition, Sergeant Buford recalled Ward fighting with deputies while in custody. Because of all of this, Sergeant Buford directed the deputies to put together an Operation Plan prior to serving the move out order. Part of the plan was to utilize as many deputies and as many force options as possible, including a taser and a K-9. Deputy Sullivan from the Warrant Service Unit was also added to the Operation Plan and assigned to bring a shield.

The Civil Unit utilizes "Trip Tickets" to track their operations. The "Trip Ticket" is a packet containing all of the information needed to serve the court orders they are tasked with and outlines any follow up needed. The "Trip Ticket" for this operation contained information received from Antioch Police regarding five prior assaults on officers by Ward. This "Trip Ticket" was originated when Ward's mother, OTH- [REDACTED] came to the Civil Unit office and requested they serve the TRO and included move out order. Ward's mother told the Civil Unit that he had been violent and fought with the police in the past. She also told them the only weapon in the home was a butcher knife. Sergeant Buford was also aware that during a phone conversation with Deputy Bullard, [REDACTED] requested, "You guys remove my son out of the building but please don't kill him."

A plan was formed to serve the TRO and warrant and an "Operations Plan" document was completed by Deputy Bullard. The Operations Plan included the objective of the operation, the location of the operation, job assignments, known hazards, and a

contingency plan. The objective of the operation was to "Effect a service for a temporary restraining order, move out order issued by the court and to serve an active no bail warrant." The job assignments included various "less lethal" options of force to be carried by deputies. Sergeant Buford was told by Lt. Haynes that CCCSO SWAT had been contacted (by Lt. Haynes) and that the deputies "should be good to go" for the operation. Antioch Police Department was also contacted and, they advised because it was a Sheriff's Office Operation they would be available to assist if necessary, but would allow the Civil Unit to conduct the move out order and the service of the warrant. The Operations Plan was reviewed by Lt. Haynes.

At approximately 1215 hours, a briefing was conducted at the Field Operations Bureau by Deputy Bullard, the case agent for this operation. The Operations Plan was discussed in detail. Deputy Piller gave instructions for the use of his K-9. Sergeant Buford also learned in the operation briefing that Ward was on searchable probation per AB109, community supervision. The address of the operation is the same as the one listed on the warrant for probation violation.

The Civil Unit and Deputy Piller caravanned in their vehicles to the location of the operation and met with the mother of the subject who was to move out. [REDACTED] provided the house key and consent to make entry into the house. She was directed to remain in the parking lot of the complex.

The deputies formed "a stack", a row of 8 deputies, and went to the stairway to approach the door to the residence. Sergeant Buford was at the rear of the team of deputies, at the bottom of the stairs. Sergeant Buford asked Dispatch for a "Code 33" to reserve the radio transmissions for his team. Sergeant Buford requested this due to the probability of violence against officers and the need to be able to transmit priority radio traffic. Deputy Sullivan and Deputy Piller conducted "knock and announce", banging on the door and yelling "Sheriff's Office, demand entry". Deputy Piller also announced that he would be deploying a dog. One of the deputies used the house key to unlock the door to the residence and Sergeant Buford could hear one of the deputies tell the others that a subject had just re-locked the door. Sergeant Buford could hear a male subject saying something from inside the residence but could not understand what he was saying. The deputies continued making announcements and trying to communicate with the subject, later identified as SUS-Ward, Dewayne. They tried again to unlock the door with the house key and were unable to get the door open. They used a small ramming tool to force the door open.

The deputies and Sergeant Buford made entry into the residence and by the time Sergeant Buford stepped into the apartment he could hear the deputies say, "He just went into the bedroom." Sergeant Buford could see there was a bedroom on the left hand side of the residence, approximately 10' from the front door. Sergeant Buford could hear Deputy Piller and Deputy Watling, who were standing at the bedroom door, giving commands for Ward to open the door and that they would send in the dog. Sergeant Buford could hear Ward mumbling but could not understand what he was saying. Deputy Watling used his body weight to force the bedroom door open and Sergeant Buford could hear Deputies Watling and Piller yelling commands of "show me your hands" and "get on the ground". Sergeant Buford then heard the deputies yell "He's got a knife, he's got a knife." Sergeant Buford heard the deputies yelling "Drop the knife, get on the ground, let me see your hands." Deputy Piller drew his service weapon and Sergeant Buford could hear three shots. At this point, Sergeant Buford was standing just inside the front door to the residence.

The deputies drug Ward out of the bedroom and he was still fighting the deputies. Ward was a large man and continued to flail around and not comply with commands given by the deputies. Because he was fighting so much, Sergeant Buford did not know if he had been shot and asked the deputies. The deputies confirmed to Sergeant Buford that Ward had been shot. Deputy Piller used his police radio to tell dispatch that he needed "Code 3 Medical". Sergeant Buford could see Ward was bleeding. Sergeant Buford also noticed Taser prongs in Ward's clothing and realized someone must have tried to use a Taser on him. Ward was still struggling with deputies but was lying on his stomach at this point. Ward told the deputies he couldn't breathe and Sergeant Buford instructed the deputies to turn him onto his side. Once the deputies rolled him to his side, they continued to talk to Ward and try to keep him awake. Contra Costa Fire Paramedics arrived within a few minutes and began CPR on Ward.

Once the paramedics pronounced Ward deceased, Sergeant Buford and his deputies began securing the crime scene. Lt. Beltran arrived on scene and invoked protocol.

Sergeant Buford believes that the K-9 was deployed and bit Ward, but is not certain at what point this occurred. Sergeant Buford saw the Taser prongs in Ward's clothing but does not know who shot the taser. Each team member, except Deputy Sullivan, was wearing a Sheriff's Office Uniform. Deputy Sullivan was wearing a tactical vest with the word "Sheriff" printed on the front and back. The Civil Unit took Sheriff's Office vehicles to the operation; however, the vehicles were parked out of the line of sight of the residence for officer safety.

We concluded the interview at 1919 hours.

INTERVIEW OF DEPUTY WATLING:

At approximately 1928 hours, Detective Frazier, APD Detective Stenger, DA Inspector Ross and I interviewed Deputy Watling in the Library room at the FOB. Deputy Watling did not have legal representation in his interview but had consulted with LDF attorneys prior to the interview. The interview was audio recorded and a copy booked into Sheriff's Office Evidence. See recording for exact verbiage. Refer to APD Detective Stenger's report for a summary of the interview.

INTERVIEW OF DEPUTY CATUIZA:

At approximately 2014 hours, Detective Frazier, APD Detective Stenger, DA Inspector Ross and I interviewed Deputy Catuiza in the Library room at the FOB. Deputy Catuiza did not have legal representation in her interview but had consulted with LDF attorneys prior to the interview. The interview was audio recorded and a copy booked into Sheriff's Office Evidence. See recording for exact verbiage. Refer to Detective Frazier's supplemental report for a summary of the interview.

INTERVIEW OF DEPUTY PILIER:

At approximately 2042 hours, Detective Frazier, APD Detective Stenger, DA Inspector Ross and I interviewed Deputy Piller in the Library room at the FOB. Also present for the interview were Deputy District Attorney Barry Grove and Terry Leone, Deputy Piller's LDF attorney from Rains, Lucia, and Stern. The interview was audio recorded and a copy booked into Sheriff's Office Evidence. See recording for exact verbiage. Refer to DA Inspector Ross' supplemental report for a summary of the interview.

At the conclusion of the interviews, we held a debrief meeting in the library at the Field Operations Bureau. Each investigator gave a summary of what they had learned from their interviews. CSI Peetz also summarized the evidence collected, noting there was a kitchen knife located in bedroom. The knife blade was approximately 7" long, with a serrated edge.

AUTOPSY:

On 02/05/2015 at approximately 0800 hours, Pathologist Josselson performed an autopsy of SUS-Ward, Dewayne Jr. Detective Holland, APD Detective J. Stenger, DA Inspector A. Ross, and DDA B. Grove attended the autopsy. Dr. Josselson determined the cause of Ward's death to be gunshot wounds to the torso. See Detective Holland's supplement for details.

ELECTRONIC WEAPON:

On 02/05/2015 CSI Peetz gave me the electronic weapon she retrieved from Deputy Bullard. The electronic weapon is a Taser model X26, serial #X00-625410. I booked into the FOB Evidence room until it could be downloaded. On 02/23/2015 Sergeant Baker downloaded the electronic weapon and printed out the report document showing its use. The report shows the electronic weapon to have been activated twice on 02/03/2015. The first activation was at 12:50:27 hours and the electronic cycle was one

On 02/03/2015, I heard radio traffic that stated shots had been fired at 1020 Claudia Court in Antioch. At approximately 1330 hours, Sergeant Gardner told me to respond to the scene.

Once at the scene I conducted a walk through of the crime scene with several Sheriff's office Detectives, Detectives from the Antioch Police Department and Inspectors from the District Attorney's office. See the CSI report for further information.

Following the walk through I went to the Antioch Police Department where I was briefed on circumstances of the shooting as known at the time and a brief history of the suspect. After the briefing I was assigned to return to the Field Operations Bureau (FOB) to assist Detective Chestnut, Detective Stenger and Inspector Ross with interviews of officers involved in the incident. I was participated in the interview of Sergeant Buford, Deputy Watling, Deputy Catuiza and Deputy Piler.

On 02/03/2015, at approximately 2014 hours, I spoke with Deputy Catuiza about the incident that occurred earlier that day at 1020 Claudia Court apartment #22. Detective Chestnut, Detective Stenger and Inspector Ross were present during the interview. The interview was recorded using digital audio recorders. Refer to the audio recording for exact verbiage, sequence and context. Deputy Catuiza gave the interview of her own free will and told Detective Chestnut, Detective Stenger, Inspector Ross and I the following in summary:

Deputy Catuiza began her Law Enforcement Career with the San Francisco County Sheriff's Office in 1997 and remained employed there until 2002. In 2002 Deputy Catuiza was hired by the Contra Costa County Sheriff's Office. While employed by the Contra Costa County Sheriff's Office Deputy Catuiza has been assigned to Custody Services, Transportation, Custody Alternative Facility, Patrol Division and the Civil unit. Catuiza is currently assigned to the Civil unit and has been assigned there for approximately four and one half years.

On 02/03/2015, Deputy Catuiza began her shift at 0700 hours. Deputy Catuiza was aware she was going to participate in the service of a move out order service on Claudia court on the afternoon of 02/03/2015. Deputy Catuiza was briefed by Deputy Bullard in the morning about S-Ward and some of Ward's violent history with law enforcement. Deputy Catuiza was told that Ward was approximately six foot three inches tall and weighed approximately 400 pounds.

At 1215 hours, Deputy Catuiza met with members of the Civil Unit at the FOB to go over the plan for the operation. The purpose of the operation was to serve a restraining order with a move out clause and an arrest warrant issued for Ward. While at the 1215 hours briefing, Deputy Catuiza found out that Deputy Piler was going to assist the Civil Unit with service of the move out order.

Following the briefing, Deputy Catuiza and the other personnel assisting with the move out order service drove to the area of 1020 Claudia Court. Deputy Catuiza described the uniform she was wearing to me as a Sheriff's office uniform with patches and a badge. Deputy Catuiza was also wearing a duty belt. Deputy Catuiza arrived at the area of 1020 Claudia Court in a marked Sheriff's office vehicle.

Once the team arrived at the area of 1020 Claudia Court Deputy Bullard met with Ward's mother [REDACTED] and got a key to the apartment door.

Once the key was obtained, the entry team assembled (stacked) outside the apartment on and near the stairs which lead to the apartment door. Deputy Catuiza was the fourth person in the formation with the first person being nearest the apartment door. Deputy Catuiza was carrying a handheld less lethal 40 millimeter launcher.

Deputy Catuiza heard knocking and the sound of someone announcing Sheriff's Office, at least twice. Deputy Catuiza heard the sound of a click, which she thought was the sound of the door lock being locked.

Deputy Catuiza heard a sound she recognized to be a battering ram being struck against the door, but was not able to see the door being hit.

As the team entered the apartment Deputy Catuiza heard someone announce, he is in the bedroom (Ward). Team members checked the bedroom door and it was locked. The apartment was dark inside.

Team members told Ward to come out by saying several times, open the door or we will send in the dog. Ward remained in the bedroom. Deputy Catuiza was standing in the Kitchen behind other members of the team. Deputy Watling began using force to open the bedroom door. When the door opened Deputy Catuiza heard Deputy Piller give what she thought was a verbal command to his K-9. Deputy Catuiza could not see Deputy Piller. The next sound Deputy Catuiza heard was someone saying "drop the knife" at least five times. Then Deputy Catuiza heard the sound of three gunshots.

At the time of the gunshots Deputy Catuiza could only see a group of team members in the hall and not see who fired the shots. Deputy Catuiza did not see Ward until team members dragged Ward from the bedroom. Ward was still fighting by moving and not allowing the team to place restraints on him. Team members were able to place Ward into restraints. Team members told Ward to calm down and to let the team members help him.

Deputy Catuiza could not remember if Ward said anything after the shooting or at any time during the incident.

Deputy Catuiza was ordered to go outside of the apartment to make sure no one entered, put up crime scene tape and begin a crime scene log. The crime scene log was later given to another Deputy.

Deputy Catuiza assumed team members were performing cardio pulmonary resuscitation (CPR) on Ward, but was not present and did not see first aid rendered to Ward.

Deputy Catuiza did not deploy any of her weapon systems during the incident. Deputy Catuiza smelled "pepper spray" after the incident, but had no idea who had deployed it. Deputy Catuiza did not see or hear a "Taser" deployment, but later heard one had been deployed during the incident.

Ward was the only person inside the apartment other than team members during this incident. Deputy Catuiza did not remember seeing other people near the outer area of the apartment when the operation was performed.

Detective Chestnut, Detective Stenger, Inspector Ross and I ended our interview with Deputy Catuiza at approximately 2034 hours.

Detective B. Chestnut booked a recording of Deputy Catuiza's interview into evidence.

13. Narrative / Statements

INTERVIEW OF DEPUTY RAYMOND BULLARD:

Present during the interview of Deputy Bullard was myself, DA Senior Inspector Trujillo and APD Detective Colley. Deputy Bullard was represented by Terry Leoni, Senior Associate with Rains Lucia Stern, PC. Deputy Bullard gave his statement voluntarily. Deputy Bullard has been employed as a Deputy Sheriff with the Contra Costa Sheriff's Office for about nine years and is currently assigned to the Civil Unit. Deputy Bullard attended the police academy in Rio Honda, completed 26 months at the Martinez Detention Facility (MDF) before going to patrol. After three years in patrol, Deputy Bullard returned to the MDF for about a year and a half. Deputy Bullard then went to the Civil Unit where he has been for almost two years. His normal work schedule is Mon-Thur, 0700-1630 hours and every-other Friday, 0730-1530 hours. Deputy Bullard told us he had a good night sleep on Monday night. He had no incidents where he used any of his duty gear prior to this detail.

Deputy Bullard was out sick a couple of days the week prior. He was contacted by his partner, Deputy Watling, over the weekend and told they would be doing a "Move out order" on Tuesday that would require an operations plan (Op Plan). A move out order is when the plaintiff on a restraining order requests the court to order the defendant to move out of the residence due to the danger/threat posed. Deputy Watling sent a picture to Deputy Bullard and told him of Ward's history. He recognized Ward from when he worked at MDF on D-Module (maximum security). Deputy Bullard said he only had minimal interaction with Ward (pill call) while Ward was in custody and was warned of Ward's violence. When Deputy Bullard came to work on 02-02-15, there was a packet on his desk that contained some pictures of the location. He used several law enforcement data bases to get background information on Ward and saw there was a no-bail warrant for his arrest from the Probation Department. Deputy Bullard contacted them and was told the warrant was for felony PC 69 (Resisting an Executive Officer). Other things Deputy Bullard learned about Ward was that he has attempted to take police officers guns from them, fought with staff while in custody and used items such as dumbbells for weapons.

Deputy Bullard also spoke to Ward's mother, [REDACTED], who was the Plaintiff in this matter. [REDACTED] told him that Ward had not been taking any medication and a couple of weeks prior had hit her in the head prior to shoving her out of the door and not letting her back into her own apartment. [REDACTED] also told Deputy Bullard that Ward had barricaded the front door with the kitchen table. [REDACTED] would bring food every couple of days and Ward would only open the door after seeing her, from the window, leave. Deputy Bullard asked [REDACTED] if there were any weapons in the house and she told him there was a, "Butcher knife", in the kitchen and she was not aware of any other weapons. After reviewing the information on Ward, Deputy Bullard had come to the opinion that Ward had a history of being violent and fighting with the police.

Deputy Bullard wrote the Op Plan, which included equipment and position assignments. Deputy Bullard had two briefings on 02-03-15, one in the morning and one in the afternoon. All personnel, except Deputy Piller, were present for the morning brief. Deputy Bullard had previously coordinated with APD for the use of their K-9 officer for this operation. Deputy Bullard found out that morning that APD was not going to allow their K-9 officer to assist and that they would be taking a, "Hands off", approach and assist only if needed. After APD canceled, Deputy Bullard requested Deputy Piller, who came to work early and attended the afternoon briefing at the FOB. During the afternoon brief, Deputy Bullard went over the Op Plan, that included any contingencies, such as injuries or shots fired situations. Detective Colley asked Deputy Bullard if it was normal for them to do an Op Plan for a move out order. Deputy Bullard said it was not normal. The reason why Deputy Bullard did an Op Plan was because of the information received from many sources, to include the mother, regarding Ward's violent tendencies. Senior Inspector Trujillo asked Deputy Bullard if S.W.A.T. was considered. Deputy Bullard said S.W.A.T. would be an option if they (Civil)

were unable to gain access or get Ward out of the apartment, then the Sergeant (Sergeant Buford) would make that decision to use S.W.A.T. Deputy Bullard was told by Sergeant Buford that he (Sergeant Buford) would contact the S.W.A.T. commander and advise him of the operation. When Deputy Bullard was later asked why he requested a K-9, he said because, in his opinion, people are afraid of dogs and a dog could bring compliance without force.

Deputy Bullard said they arrived at the complex around 1245 hours and [REDACTED] was not yet on scene. Deputy Bullard was meeting her to get the key to the apartment. At the same time [REDACTED] arrived and gave Deputy Bullard the key, several of the deputies saw someone matching the physical description of Ward walking downstairs and out of the complex. Present at that time were Deputy Sullivan, Deputy Watling, Deputy Worthen, Deputy Pillar, Deputy Catuiza, Deputy McDonald, Sergeant Buford and Deputy Bullard. The stack of deputies started to move and Deputy Bullard had to catch up. After they got close enough to determine it was not Ward, they turned and headed for the apartment. Deputy Bullard told us Deputy Sullivan was first with the shield and he was second. When they got to the top of the steps, Deputy Bullard knocked on the door and announced their presence with "Sheriff's Office, demand entry". Deputy Bullard knocked a second time and announced, "Sheriff's Office, we have a move out order". Deputy Bullard placed the key given to him by [REDACTED] into the lock and started to unlock the door. As he did this, the locking mechanism was turned back to the lock position from inside the apartment, forcing the key back the other way. Deputy Bullard told us he could hear Ward yelling from inside but could not tell what he was saying, if anything at all. They tried to push on the door, not knowing if he was behind it or the table was. They tried several times without success. Deputy Watling came up with the door ram and got into a position where he (Deputy Watling) could swing on the door. As Deputy Watling hit the door with the ram, they continued to announce themselves. Deputy Bullard said there was very little movement on the door while Deputy Watling was ramming it. On the last hit, not sure how many, the door opened and Deputy Bullard heard Deputy Watling say, "He ran into the bedroom".

They made entry into the apartment and gathered around the bedroom door. Deputy Bullard tried the door handle and it was locked. Deputy Bullard announced their presence again and told Ward he needed to cooperate and come out of the room. Deputy Bullard described their positioning on the door as Deputy Pillar to the right (as you look at the door) of the door, Deputy Watling in the middle with the ram and himself on the left side of the door. Deputy Bullard said the hallway was small and there was no room for all of the deputies present to be crowded around the door. Deputy Watling then hit the door a couple of times with the ram and the door did not move. Deputy Bullard said he believed Ward was on the other side, holding the door. After one of the hits, above the door knob, the top part of the door started to break open. Deputy Pillar deployed his O.C. spray through the opening. As Deputy Watling broke more of the door open/off, Deputy Bullard saw Ward sitting on the bed. The O.C. spray appeared to be in-effective and Deputy Bullard drew his electronic weapon. Deputy Bullard yelled "Taser" and he fired his electronic weapon, with the darts, at Ward. Due to the low light level, Deputy Bullard was not sure if the darts struck Ward. Deputy Watling and Pillar were able to remove the rest of the door and Deputy Pillar told him to turn off his electronic weapon and take the cartridge off. Deputy Bullard turned it off and removed the cartridge. Deputy Bullard saw the K-9 enter the room and engage Ward.

While the dog was engaged, Deputy Bullard saw Ward stand up and struggle or fight with the dog. As Ward stood up, Deputy Bullard also saw Ward was holding a knife above his head. Deputy Bullard believed the knife was in Ward's left hand but was not sure. When Deputy Bullard was showing us how Ward was holding the knife, he (Deputy Bullard) used his left hand. Deputy Bullard saw the silver portion of the knife and estimated it was approximately six inches in length. Deputy Bullard did not see the handle. Deputy Bullard heard someone yell, "Knife" and "Drop the knife" "Drop the knife" and saw Ward advance. As Ward advanced toward Deputy Pillar, who was now in the middle of the doorway, Ward swung the knife at him (Deputy Pillar). Deputy Bullard heard three shots, saw Ward fall to the ground and the knife fall out of his hand.

Deputy Bullard said they attempted to handcuff Ward but he continued to fight and kick. They brought him out of the doorway and into the hallway where there was enough room to roll him over so they could handcuff him. Ward's arms were under his body and he refused commands to give them his hands for handcuffing. Deputy Bullard said Ward was still "Thrashing", kicking, moving, and not cooperating. It took a couple of them to get enough control of the right arm to get a cuff on it. Deputy Bullard told us they were using the cuffs designed for ankles because of Wards size (6' 300+ lbs). Ward continued to struggle with his left arm and not complying with deputy's commands. Once they were able to get control of his other arm and handcuff it, Ward was face down. Deputy Bullard and Deputy McDonald dragged Ward out to the living room area where there was space to tend to him medically.

When they got Ward into the living room, he was still thrashing and kicking. They rolled Ward onto his side where he grabbed his penis and urinated. Ward calmed down a little and they tried to get his pulse. Ward was still squirming with his legs and said, "I can't breathe". Deputy Bullard and Deputy McDonald attempted to sit Ward up but could not hold him in that position so they placed him back on his side. The two of them held him still until Con Fire and AMR arrived.

Deputy Bullard only deployed his electronic weapon and did not know of any other weapon, other than a firearm, to be used. Detective Colley asked Deputy Bullard how he felt when he saw Ward raise the knife up. Deputy Bullard told us he was scared and feared for his life and the life of his partners. Deputy Bullard also told us he would have deployed his firearm if there was not a cross-fire situation. Deputy Pillar was in front of him and pressed against a wall, making it unsafe for Deputy Bullard to have his firearm out. I asked Deputy Bullard to estimate the distance between their position and when he saw Ward with the knife. Deputy Bullard said, "It was very close" and estimated 2.5 to 3 feet.

Deputy Bullard was still in possession of his electronic weapon, model X-26 with a serial number of X00-625410. The display showed a battery level of 64. I took custody of the electronic weapon from him and gave it to CSI Peetz.

AUTOPSY:

On 02-05-15, I attended Ward's autopsy (coroner case #15-0558). The autopsy was conducted by Pathologist Josselson who was assisted by S. Jagoda and M. Eusedio. Also present were DDA B. Grove, Senior Inspector A. Ross, APD Detectives Stenger, Colley and Hoffman. A preliminary toxicology screen showed Ward was positive for methamphetamine and benzodiazepine. Three bullets were recovered during the autopsy. The heart, both lungs and liver were all damaged. Dr. Josselson determined the cause of death to be from the gunshot wounds.

13. Narrative / Statements

I am a sergeant with the Contra Costa Office of the Sheriff. I am currently assigned to the Investigation Division, Special Victims Unit. On 2/3/2015, I responded to the Antioch Police Department to assist with the investigation of an officer involved shooting. I was assigned to work with Detective Gary Lowther (APD) and Senior Inspector Jeffery Swatman (CCDA), we were tasked with interviewing the below listed subjects.

I summarized the interviews of [REDACTED] and [REDACTED]. Senior Inspector Jeffery Swatman summarized the interviews of [REDACTED]. Detective Gary Lowther summarized the interview of Sergeant Desmond Bittner (APD). Refer to their reports for information on the listed interviews.

Senior Inspector Jeffery Swatman and Detective Gary Lowther were present during each interview. Each interview was done in an Antioch PD interview room and was video recorded. Refer to Detective Lowther's report for the disposition of the video recording. I audio recored my interviews, which were later put onto a CD-Rom.

First names will be used for ease of reading.

Interview with [REDACTED] on 2/3/2015 at 1645 Hours.

The following is a summary of the interview; refer to the recorded copy for the complete interview.

[REDACTED] is Dewayne Ward's cousin and [REDACTED] niece. [REDACTED] is familiar with Dewayne and his current situation. She knows he was at Napa State Hospital for several years because of an incident where he attacked [REDACTED]. [REDACTED] believes he was released from Napa less than a year ago, at which time he moved back in with [REDACTED]. [REDACTED] does not know of any altercations that occurred from the time he was released from Napa and the incident on 12/31/2014.

[REDACTED] said Dewayne first started having mental health issues about five years ago. She believes he was diagnosed with Schizophrenia, but is not sure. She said since they developed he is "standoff-ish, Keeps to himself, hears voices, and talks to himself". [REDACTED] does not know what medications Dewayne should be taking, but believes drug abuse is part of his problem.

On 12/31/2014, [REDACTED] received a telephone call from [REDACTED] after Dewayne hit her and pushed her out of the apartment. [REDACTED] went to pick [REDACTED] up after the police had left. When [REDACTED] went to the apartment she did not speak with or attempt to speak with Dewayne. [REDACTED] said "My position of going to pick her up on the 31st was to get the hell out of there, because I said he ain't gonna jump on me and kill me". When asked if she was scared of Dewayne she said, "When he's like that? Look at me and look at him, he's 300 pounds. I'm not about to do that, I'm not crazy".

[REDACTED] went back to the apartment with [REDACTED] about a week after the incident on 12/31/14. They went back to see if they could talk with Dewayne and see if he would let [REDACTED] back in the apartment. When they tried to get in Dewayne had "barricaded" the door and refused to open it. Dewayne also told them through the door "If you open the door I'm going to kill you". At this point they left the apartment complex.

[REDACTED] was also familiar with [REDACTED] getting a restraining order in order to have Dewayne removed from the apartment. She said she was the one helping [REDACTED] understand the process and making sure she was contacting the correct people in order

to have Dewayne removed. [REDACTED] did not go with her during the process but just helped her with the phone calls and paperwork.

[REDACTED] was not present when the eviction occurred.

Interview with [REDACTED] on 2/3/2015 at 1725 Hours.

The following is a summary of the interview; refer to the recorded copy for the complete interview.

[REDACTED] has been [REDACTED] boyfriend for approximately 10 years. He currently lives by himself, but at one time he lived with [REDACTED] and Dewayne. [REDACTED] moved out after Dewayne started acting "Crazy" and at one time attacked [REDACTED] and then ran from the house. [REDACTED] moved out after that incident for fear of what Dewayne may someday do to him. [REDACTED] wasn't able to recall when exactly this incident occurred, but it was shortly before Dewayne was arrested and ultimately sent to Napa State Hospital.

[REDACTED] knows Dewayne has mental health problems, but is not sure what his diagnosis is or what medications he should be on. [REDACTED] is certain Dewayne has not been on any medications since he returned from Napa. [REDACTED] was not sure when Dewayne was released, at first saying two months ago to possibly sometime in the summer. He is not aware of any altercations between [REDACTED] and Dewayne since he was released from the Napa State Hospital.

On 12/31/2014, [REDACTED] was called by [REDACTED] and told what happened. He let [REDACTED] come stay with him since that night. Since then he has brought [REDACTED] back to the apartment every other day so she could drop off food for Dewayne. They would try and get him to open the door but each time he told them to go away.

[REDACTED] helped [REDACTED] with the restraining order against Dewayne by driving her down to the courthouse to complete the process. On 2/3/2015, [REDACTED] drove [REDACTED] to the apartment to meet with the Deputies doing the eviction. He saw her give a deputy the key to her apartment in order for them to attempt to gain entry. [REDACTED] did not see or hear what happened after that, but one of the neighbors told him they heard gunshots come from the apartment.

During both the above interviews, [REDACTED] and [REDACTED] would refer to Dewayne as Shawn. When asked about this they said it was his nickname.

I placed both interviews onto a CD-Rom and booked it into Concord Property.

13. Narrative / Statements

I am currently assigned as a Detective in the Investigation Division. On 2/3/2014 I was instructed by Sgt. Aldritt to respond to 1020 Claudia Ct #22, in Antioch, to assist with an officer involved incident. I arrived on scene at approximately 1348 hrs.

The crime scene tape was already erected securing the area and a crime scene log had been initiated. I was alerted by an Antioch PD Officer, who was standing on the side of the perimeter inside the apartment complex, a resident needed to leave to pick up their child from school. I was then directed to W. [redacted] who was standing on the bottom of the stair case, leading to her apartment. [redacted] I asked [redacted] if she had a few minutes to provide me with her information and a brief statement. [redacted] said yes.

[redacted] apartment and staircase is located directly to the west of Apartment #22. [redacted] apartment is on the second floor, just across from Apartment #22.

[redacted] **Initial statement:** (statement written in summary)

[redacted] was on her staircase when the incident occurred. [redacted] heard the Deputies announce them selves as they knocked loudly on the door. [redacted] could not recall if they said "Police" or "Sheriff" but knew one of these words was announced. [redacted] remembers hearing someone announce "K-9" as well. [redacted] heard the officers also yelling, "open up the door!" [redacted] believes they were doing this for a couple of minutes and believed it was done in a manner and for enough time the residents inside, should have known to open the door, or it would be forced open. [redacted] then heard what sounded like the Deputies forcing their way into the apartment. Next, [redacted] heard someone yell, "He has a knife!" and then heard, "pow,pow,pow". [redacted] believed these to be gun shots. [redacted] heard someone inside the apartment state, "We're going to need an ambulance."

I asked [redacted] if she remembered hearing the Deputies state why they were there. [redacted] told me she could not say for sure if they did or did not announce this. I asked [redacted] if she knew the residents from apartment #22. [redacted] told me she is familiar with the "mother" who resides there, but more so by saying hi as they pass each other in the apartment complex. [redacted] told me she has crossed paths with the "son" who lives there, but he never actually spoke or looked at [redacted] when they crossed paths. I asked [redacted] if she heard any arguments between the two residents. [redacted] told me the "mother" was just loud in general and that she never heard the "son". [redacted] told me last week the "mother" was sitting on the bottom steps of [redacted] staircase, talking to another women, and stating she could not go back into her apartment. [redacted] did not hear why and did not know if it had to do with the "son" or the "boyfriend." [redacted] did not know names.

[redacted] then provided me with her information and phone number. I advised [redacted] she may be contacted again for follow up questions, or to be re interviewed with a recorder. [redacted] advised that would be fine. [redacted] left at this time.

I was assigned with Antioch Detective Lopez and DA Inspector Ritchie to conduct a complete area canvass of the 1020 Claudia Ct apartment complex for any witnesses. We first went to apartment #1, where we were advised a resident needed to leave for work. This apartment is located directly underneath apartment #22.

[redacted] **Statement:** (Written in summary; for complete dictation/sequence refer to recording)

[redacted] resides in apartment [redacted] with her boyfriend and there 5 yr. old son.

[redacted] was running water in the sink when she heard loud talking outside. Her boyfriend and friend then told her the Sheriffs were outside. [redacted] turned off the water and heard the Sheriff's Department "pounding" on a door, as they announced themselves by

stating, "This is the Sheriff's Department! Open up!" [redacted] believes she heard this three times and advised it could have been more, since she initially had the water running in the sink. [redacted] could also hear a dog barking outside. After the announcements, it sounded like the Deputies were breaking the door down. [redacted] then heard a lot of banging, general unknown noise, and foot steps. [redacted] didn't know if some of the noise was due to furniture being moved, due to people fighting, or someone trying to "push back against the door." [redacted] had prior knowledge from a conversation with [redacted] who goes by [redacted] that [redacted] son, S-Ward, had "barricaded" the front door. [redacted] then heard four shots back to back. [redacted] heard, "bap, bap, bap, bap." [redacted] could hear what sounded like some Officers move outside and some talking. [redacted] heard a siren coming up the street a short time later.

I asked [redacted] if she ever tried to walk outside after the incident. [redacted] told me no. I asked [redacted] if anyone came to her door. [redacted] told me an "Officer from the Sheriff's Department", who was in a black Sheriff's uniform, came to their apartment to ensure they were ok and to get their names and a phone number. I asked [redacted] if she remembered the Deputy's name. [redacted] told me no.

I asked [redacted] if she has ever seen or heard of Ward being aggressive. [redacted] told me she has heard [redacted] and Ward arguing through the walls, but [redacted] is usually the loud one. [redacted] explained, in general [redacted] is loud. I asked [redacted] if she ever heard it become physical between [redacted] and Ward. [redacted] told me it usually just sounds like verbal altercations between them, but on "December 31st" it sounded like "someone had been fighting." [redacted] told me [redacted] disclosed to her that Ward "had beat her" and "kicked her out of the house." I asked [redacted] if she noticed any injuries on [redacted] from that incident. [redacted] told me it was hard to tell because the area under [redacted] eyes is usually dark, but they appeared darker after the incident. [redacted] did not know if this was due to an injury or to [redacted] just being tired.

I asked [redacted] if [redacted] ever expressed to her that she was in fear of Ward. [redacted] told me [redacted] would go back and forth from making statements such as, "he's crazy" to "but he's a good boy." [redacted] told me [redacted] was just being, "a mom." I asked [redacted] if [redacted] told her she wanted Ward out of the house. [redacted] told me [redacted] wanted help for Ward.

[redacted] statement: (Written in summary; for exact dictation and sequence refer to recording)

[redacted] resides at [redacted]. This is located directly to the north of apartment # 22, and is also on the second floor. [redacted] was contacted outside of her apartment with her small dog.

[redacted] is sick and called in sick to work today. At approximately 0930 hrs this morning, [redacted] took Nyquil to help her sleep. The Nyquil passed her out. [redacted] was asleep in her bedroom, which is located in the rear of the apartment, away from apartment #22. At 1300 hrs [redacted] alarm went off so she could get up and try to do laundry. [redacted] felt worse, so went back to bed. [redacted] was slightly woken up by three loud banging sounds and her dog barking. It sounded to [redacted] like someone trying to open a door. [redacted] believes she fell back asleep and then woke up to her neighbor's knocking on her door, sometime after 1300 hrs. [redacted] did not know the time. [redacted] answered the door and neighbors asked if she heard what happened. [redacted] told them no and asked what happened. [redacted] was advised her neighbors were just killed. [redacted] then saw the police caution tape outside.

I asked [redacted] how long she lived at this location. [redacted] advised me, "a year and 6 months." I asked [redacted] if she was familiar with the female resident [redacted] that lives across from her as I pointed at apartment #22. [redacted] told me yes. I asked [redacted] how she was familiar with her. [redacted] told me, because they are neighbors and she is kinda loud. I asked [redacted] if she was familiar with any other subject living at the location. [redacted] told me "just her son." I asked [redacted] if she knew anything about the son or if she had any interaction with him. [redacted] told me she tried to say hi once but he

13. Narrative / Statements

he was in the facility [redacted] visited him on the weekends. [redacted] did not know the extent of Ward's mental health problems but explained Ward does not interact well with people, and is "stand offish." When ever [redacted] visited [redacted] at her apartment, Ward would go into his bedroom. All one would see Ward do, was go from the apartment to the mail boxes, to the "wash house", trash cans, or to the store and back. [redacted] has never personally seen Ward upset but when her and [redacted] would talk, [redacted] told [redacted] "he got attitude", in regards to Ward. [redacted] was also aware through [redacted] that Ward had missed a doctor's appointment.

[redacted] confided in [redacted] as well, that her and Ward recently, "got into it and he had hit her" where [redacted] received a black eye. [redacted] shared that she had called the police but they did not arrest Ward. [redacted] then left the apartment to allow Ward to "cool out" and stayed with her boyfriend. [redacted] would come by the complex every day and speak to Ward through an open window. [redacted] would not go into her apartment to talk to Ward, because [redacted] advised against it.

I asked [redacted] if [redacted] was afraid of Ward. [redacted] told me she was sure there was some fear from Ward hitting her, as there would naturally be, but she had never expressed fear prior to the incident where she was hit. I asked [redacted] if she saw any injury on [redacted] after Ward hit her. [redacted] told me she had a bruise mark under her eye. I asked [redacted] if she knew what the argument was about. [redacted] told me they were arguing about "something", he said something smart and then he hit her. [redacted] told me this was the only incident she was aware of, where it had become physical between [redacted] and Ward.

I asked [redacted] if [redacted] ever discussed with her how she wanted the police to help or what she told the police when she called them recently in regards to Ward. [redacted] told me all [redacted] "kept saying was that she wanted to come home, that she was ready to come home." [redacted] also said "Shawn needed his medication." I asked [redacted] if [redacted] ever talked about getting a restraining order. [redacted] told me the only thing [redacted] said was that she wanted to get someone from crisis prevention to come out here. I asked [redacted] if it would surprise her to hear that [redacted] may have been seeking a restraining order to get Ward out of the apartment. [redacted] told me, "Not really, because her topic of conversation was she wanted to go home and she needed Shawn to get some help." [redacted] told me a restraining order may have been the only way [redacted] could have gotten Ward out, because she wouldn't have been able to do so by herself physically.

[redacted] was asked if Ward was ever known to have weapons. [redacted] told me no and then stated, "Shawn's a big guy."

I asked [redacted] how long [redacted] was out of her house due to Ward. [redacted] told me two to three weeks.

I responded to both [redacted] where I contacted [redacted] and [redacted] where I contacted [redacted] and [redacted] advised he had not seen or heard anything. [redacted] and [redacted] both advised they did not arrive home until 1730 and did not see or hear anything.

We responded to the following locations at the 1020 Claudia Ct apartments, #2-4 no one was home, residents advised us #B6 was vacant, and at #B11 and #B25 no one was home. Business cards were left on all of the doors where the residents were not home.

DA Inspector Ritchie conducted an interview with a subject at 1020 Claudia Ct #1, #23, #B5, #B8, #B12, #B16, #B17, and #B32. Detective Lopez with Antioch PD conducted an interview with a resident of 1020 Claudia Ct #1, #24, and #B14. (Refer to DA Inspector Ritchie and Detective Lopez's supplements for statements they obtained.)

I checked back at [redacted] apartment, [redacted] to see if she was home to be re interviewed. [redacted] was not home. I called [redacted] via the phone number she provided. [redacted] did not answer. I left a message, requesting her to meet us to be re interviewed.

In an attempt to refocus her, I began by asking [REDACTED] her name and if she remembered talking to me earlier in the evening where she provided a brief statement. The Deputies also instructed the residents to open the door. [REDACTED] did not see the residents open the door. 13. Narrative / Statements

This is a supplemental report.

On 02/03/2015, I responded to 1020 Claudia Court #22 in Antioch, for a report of an Officer involved shooting. I arrived on scene at approximately 1415 hours. 1020 Claudia Court is an apartment complex named "Casa Blanca." The complex is located just north of Highway 4 off of L Street. After a preliminary assessment of the scene, the majority of the law enforcement personnel met at the Antioch Police Department for a briefing. Detective Norvell and I were assigned to the crime scene during the briefing. Our main task was to log people into and out of the area immediately around 1020 Claudia Court #22.

I returned to 1020 Claudia Court #22 at approximately 1530 hours. At approximately 1543 hours, I took over the crime scene log from Officers Summers and Catulza of the Antioch Police Department. Officer Catulza provided me his two page crime scene log. I scanned Officer Catulza's two page crime scene log to this report (see attached). From 1543, I recorded the information of personnel going into/out of the crime scene on a separate log.

At approximately 1622 hours, [REDACTED] entered unit [REDACTED] [REDACTED] said it was his sister's unit and he was not present during the incident. I did not observe [REDACTED] leave this unit while I was at 1020 Claudia Court.

At approximately 1712 hours, [REDACTED] entered the apartment adjacent to apartment #21. Apartment #21 and the adjacent unit were located within a different building than apartment #22. [REDACTED] retrieved items from this apartment and said he was not present during the incident. [REDACTED] drove away in a [REDACTED] which was parked in the back lot of the apartment complex.

While at the scene, I looked for any bullets, or bullet holes, within the bedroom of 1020 Claudia Court #22 with negative results.

Detective T. Norvell and I were the last ones to leave the crime scene at 2203 hours.

I transferred my handwritten crime scene log to a word document and attached it to this report.

13. Narrative / Statements

This is a supplemental to the original report.

I am a detective for the Contra Costa County Sheriff's Office. On 02/03/2015, I responded to the Casa Blanca apartment complex to assist with the Officer Involved Shooting (OIS) investigation. I was assigned to find any surveillance cameras in the area.

I walked throughout the apartment complex looking for cameras which may have been set up by residents or the building manager. I did not find see any. I spoke to the apartment manager [REDACTED] who told me they did not have any cameras within the complex. [REDACTED] showed me the lease agreement for apartment #22. I saw [REDACTED] was the only resident listed on the paperwork, which was signed on 11/27/2007. [REDACTED] explained the lease was for the first year; after which, rent was for month to month. She did not have any documentation or knowledge regarding issues for apartment #22.

I spoke to the assistant apartment manager [REDACTED] who told me she was aware of the situation between [REDACTED] and her son, DeWayne Ward. On 12/31/2014 [REDACTED] came into the office and stated Ward was refusing to leave her apartment and had also locked her out. [REDACTED] went to the apartment with [REDACTED] who had the keys and tried to open the front door. Ward "slammed the door" into [REDACTED] face and yelled "Fuck you and fuck the apartment manager!" [REDACTED] called the Antioch Police Department (Event: 14-121435) who responded but subsequently took no further action to remove Ward. [REDACTED] advised [REDACTED] to start the eviction process. Between 12/31/2014 and today's date, [REDACTED] had received two to three noise complaints from residents at apartment #1, which was directly underneath apartment #22. There were never any complaints when [REDACTED] resided there so [REDACTED] knew Ward was occupying the apartment during this time. [REDACTED] had no other relevant information.

I searched along Claudia Court for any street cameras but did not find any. I also confirmed with the Antioch Police Department that there were no known cameras in the area.

No further actions taken by me at this time. Refer to the original report for final disposition.

<p>I am currently assigned as a Detective with the Contra Costa County Sheriff's Department.</p> <p>On Tuesday 2/3/15, I responded to 1020 Claudia Crt #22 to assist with the investigation of an Officer involved shooting. I was assigned to interview all Fire and AMR personal that responded to the scene and assessed S-Dewayne Ward's injuries. I was partnered with Senior Inspector Rivera of the Contra Costa County Office of the District Attorney, and Detective Hoffman of the Antioch Police department.</p> <p>I contacted Sheriff Dispatch via telephone and was advised Confire engine 83 and AMR unit 183 were the emergency medical personnel who had responded to the incident at 1020 Claudia Court #22.</p> <p>Confire and AMR personnel had left the scene and returned to their normal work duties. Inspector Rivera, Detective Hoffman, and I responded to Confire Station 83, located at 2717 Gentrytown Drive in Antioch, to interview engine 83.</p> <p>The interviews were audio recorded. I later copied the interviews to a disk and booked the disk into CCCSO evidence. Refer to the audio for exact verbiage, sequence, and context.</p> <p>INTERVIEW OF CON FIRE STATION 83 CAPTAIN AND PARAMEDIC SCOTT WANNAMAKER:</p> <p>The first person interviewed was Captain Scott Wannamaker. Present during the interview were DA Inspector Rivera, APD Detective Hoffman, and myself. Captain Wannamaker's interview was documented by DA Inspector Rivera. For information on Captain Wannamaker's statements, see Rivera's report.</p> <p>INTERVIEW OF FIRE ENGINEER ANDREW DESMOND:</p> <p>The second person interviewed was Fire Engineer Andrew Desmond. Desmond is a Fire engineer with Confire, and has been employed by Confire for approximately 7 years. Desmond and his crew were dispatched at approximately 1300 hours, to a call of a "cleared in" shooting. Desmond and his crew did not need to stage, and were clear to head straight into the scene because "PD" was on scene.</p> <p>Desmond and his crew arrived on scene and observed a few officers standing outside directing them where to go. Desmond was instructed to grab trauma equipment by his Captain. Officers directed him to the scene. As he entered the apartment, Desmond viewed Ward on the ground face down, partly on his right side, and handcuffed behind his back. There were two officers holding Ward down and one standing up. Desmond believed there to be pepper spray in the air, because he felt a slight burn in his eyes and throat.</p> <p>It appeared Ward had quite a bit of blood on his back. Desmond believed the blood on Ward's back could possibly be signified by an exit type wound. Ward was rolled to his back. Desmond heard what he described as gurgling from Ward as he was rolled. Desmond recognized this as possible breathing, and prepared to assist with breathing.</p> <p>Desmond's main concern was a wound on Ward's upper left hand chest, believing this wound could possibly be heart related. Desmond observed a second wound under Ward's stomach that appeared to be a bullet. Ward was hooked up to a monitor where Desmond did not observe any signs of positive heart beats, only electrical activity. Desmond assisted with Ward's airway and briefly began CPR chest compressions before checking the monitor a second time. Desmond explained that it is Confire's protocol if there is anything less than 60 beats per minute on the monitor, without a pulse is "calling it". Firefighter Johnson</p>

applied a dressing on Ward's left chest to prevent a sucking chest wound. AMR arrived on scene. Captain Wannamaker and Paramedic Miguel Menonca discussed protocol as far as "calling" Ward. Ward was pronounced deceased at 1312 hours. Desmond stated his crew discussed inspecting Ward for further injuries for their report, however decided to leave Ward in the position he was in.

Desmond and his crew then cleaned there gear and left.

FACTS

STEPHEN H. NASH CLERK OF THE COURT
SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF CONTRA COSTA

On 2/3/2015 at approximately 1256 hours, CCCSO Civil Unit Deputies responded to 1020 Claudia Court, #22, Antioch CA 94509 to conduct an eviction /move out order, serve a Temporary Restraining Order (TRO), and serve a no bail arrest warrant against **Dewayne Deshawn Ward Jr.** CCCSO Deputy S. Piller and his K-9 partner Anavi were requested to assist Civil Unit Deputies due to the known violent criminal history of **Dewayne Deshawn Ward Jr.**

The following is a summary of some of the violent criminal history of **Dewayne Deshawn Ward Jr.**

CCCSO Deputies stacked up on the front door of the residence, made announcements, then made entry into the apartment. As the Deputies entered the residence they encountered resistance from **Dewayne Deshawn Ward Jr.** Deputies deployed a K-9 Unit, OC (Pepper Spray) and an electronic weapon (Taser). **Dewayne Deshawn Ward Jr.** continued to resist and attacked Deputies with a knife. Deputy Piller discharged his firearm striking **Dewayne Deshawn Ward Jr.** **Dewayne Deshawn Ward Jr.** was pronounced deceased at the scene.

I was advised that Antioch Police Department responded to 1020 Claudia Ct #22, Antioch, on 12/31/14, for a disturbance call. During this incident **Dewayne Deshawn Ward Jr.** pushed his mother, whom he lived with at the residence, out of the apartment and barricaded himself inside. Antioch PD arrived on scene and the mother requested they removed her son from the home. The mother stated she did ^{not want} prosecution against Dewayne for the misdemeanor battery. Antioch PD observed Dewayne standing in the window waving a knife. Based on the mother not wanting prosecution, Antioch PD decided to leave. Antioch PD advised Dewayne has been barricaded in the apartment since that date. In the Temporary Restraining Order filed by the mother with the court, she stated she had not been allowed in the home since that date.

A check of Dewayne Deshawn Ward's [REDACTED] indicated a history of mental illness. *OPINION* *8/12/15*

It is my belief that the seizure and search of the cell phone of **Dewayne Deshawn Ward Jr.** may yield evidence to this crime. I know based on my training and experience, criminals will often use cell phones to discuss and plan their crimes via text message, photos and videos. In addition, prior knowledge of the eviction may be found and/or internet searches related to eviction process on the cell phone.

It is my belief that the seizure and search of the computer and/or laptop of **Dewayne Deshawn Ward Jr.** may yield evidence to this crime. I know based on my training and experience, criminals will often use computers/laptops to discuss and plan their crimes via Internet searches, photos and videos. In addition, prior knowledge of the eviction may be found and/or internet searches related to eviction process on the computer/laptop.

INVESTIGATIVE REPORT

CASE#: 15-0558

Date: 02/04/2015 Time: 0040 Hours

On February 3, 2015, at approximately 1755 hours, detective Norvell reported the death of Dewayne Ward Jr., a 29 year old Black male.

At approximately 1239 hours, The Contra Costa Sheriff's Office Civil Unit was at 1020 Claudia Court #22 to serve a move out order to the decedent. The decedent lived at the location with his mother and legal next of kin, [REDACTED] [REDACTED] obtained a restraining order against the decedent, which had the move out order. The decedent also had a no bail warrant for his arrest.

After Deputies received no answer at the door, a ram was used to force entry into the residence. The decedent was inside a locked bedroom. A ram was used to force entry into the bedroom and Deputies saw the decedent was holding a knife; and advancing towards them; Deputy Pilar sent his K-9 partner, K-9 Anavi into the bedroom. The decedent confronted Deputies while holding a knife in his hand. One of the Civil Unit Deputies deployed his Electronic Weapon, striking the decedent. The decedent was able to continue to advancing towards Deputies, still holding the knife. At approximately 1300 hours, Deputy Pilar fired three shots at the decedent, striking him in the chest.

The decedent was handcuffed; Fire and Medical was requested to the scene. Sheriff's Deputies started first aid until medical arrived. Captain Wanamaker with Contra Costa Fire determined death at 1312 hours. [REDACTED] was at the scene and was notified of the death in person by Sgt. Garry.

Based on the information provided, I assumed jurisdiction of the remains and responded to the scene. The scene is a second floor apartment on a large apartment complex. The decedent was lying on his back in the front living room, moved from the bedroom. There was evidence of medical intervention. The decedent had electronic weapon probes on his torso. The probes were removed by CSI Crain.

I spoke with Sgt. Patchin at the scene. Sgt Patchin said Sheriff's Deputies forced entry through the front door and located the decedent in a locked bedroom. The bedroom door was forced open and the decedent confronted deputies in the bedroom entryway. Three shots were fired during the incident. I examined the remains and saw one gunshot wound. Crime Scene Investigators were at the scene searching for possible projectiles.

I took photos of the scene and removed the remains to the morgue where they were x-rayed, weighed, tagged, and stored. The decedent's identity was verified by comparison to a California Driver License Photo Printout.

Compliance Statements:

- Initial package(s) were submitted tape sealed unless otherwise indicated.
- Uncertainty of measurement is reported on each of the analytical results of the measurement. The statistical level of confidence is approximately 99.73% ($k=3$).
- Per Title 17, the California Code of Regulations governing forensic alcohol analysis, the reported result is an average of the analytical results of the measurement and is truncated to two digits.
- Per Title 17, urine results are reported as a blood alcohol equivalent using a conversion factor (divisor) of 1.3. The uncertainty of measurement is reported on each of the un-converted analytical results.
- Vitreous results are reported as a blood alcohol equivalent using a conversion factor (divisor) of 1.27. The uncertainty of measurement is reported on each of the un-converted analytical results.
- Cavity fluid results are not converted to a blood alcohol concentration and are reported as alcohol concentration only.
- Homogeneity is assumed among multiple vials within an envelope or kits as long as the vials were collected sequentially, from a single event, and into multiple similar containers, and having similar volumes. The reported results pertain to the entire item, not just the tested amount or the vial analyzed.
- Sampling was performed in accordance with the sampling procedure in the Blood Alcohol Technical Unit Manual. The date of sampling is the date of analysis unless otherwise indicated. The location of sampling is the Crime Lab.
- Any deviations from the sampling plan or technical procedures will be documented in the case notes. Any approximate blood volumes less than 5 milliliters in the vials provided by the Crime Lab will also be documented in the case notes.
- % W/V is an abbreviation for grams of ethanol per 100 milliliters of liquid.

- $\mu\text{g/ml}$ is an abbreviation for micrograms per milliliter.
 ng/ml is an abbreviation for nanograms per milliliter.
- Immunoassay screening technique is considered a presumptive test due to the fact that immunoassays are not always specific to a single analyte.
- When the report indicates that further work or additional analysis may be performed, it is the responsibility of the customer to request the work if needed.
- If a drug is not reported as positive, it indicates either that it was not detected or, if a drug was detected, it was present at a concentration less than this Laboratory's established reporting limit. All confirmations, if required, are done by Gas Chromatography/Mass Spectrometry.
- The tests performed are generally accepted by consensus of the relevant scientific community. The tests were performed in a scientifically approved manner.

Analytical Tests Used:

- Most screenings are done by Immunoassay. Acid Neutral Drugs and Basic Drugs screenings are both done by gas chromatography/mass spectrometry.
- Confirmations are done by Gas Chromatography/Mass Spectrometry.

On this date I took blood from a person identified to me as SCOTT PLIER
_____, the subject.

I cleaned the area to be punctured with the non-alcoholic disinfectant, included in the Contra Costa County Criminalistics Laboratory blood withdrawal kit.

Using the sterilized needle and holder from the kit, I inserted the needle into the subject's vein and withdrew enough blood to fill the two vacuum tubes.

I discarded the needle, holder, and disinfectant. I mixed the powder in the tubes thoroughly to prevent the blood from clotting.

The tubes of blood were labeled with the full name of the subject, the date and time of withdrawal, and I placed my initials on the label.

I gave the tubes to the officer who accompanied the subject, and I observed the officer seal the top of each tube with a label seal and place his initials on the seal and on the label of each tube.

The sample(s) was/were taken in a medically approved manner.

I declare under penalty of perjury that the foregoing is true and correct.

13. Narrative / Statements

On February 5, 2015 I was requested by Detective Holland to document the autopsy of Dewayne Ward. CSI Peetz was assigned to assist. According to Detectives, Ward had reportedly been bitten by a police K-9, tased and shot. We arrived at the Coroner's Office at approximately 0745 hours.

Ward, a Black male adult was lying on his back in a red body bag. He had dark hair with hair ties, a goatee with hair ties, brown eyes and several monochrome tattoos on his left and right arms. A toe tag with "Ward Jr, Dewayne and Coroner # 15-558" was around his right great toe and handcuffs were around his wrists. He was wearing a red pair of boxer briefs, white socks and white/black/red athletic shoes. Several items of cut clothing were located below his body and included: a white tank top with a hole in the back and left side, a camouflage thermal shirt with a hole in the back and left side, a black camouflage t-shirt with a hole in the back and left side and a cut black sleeveless t-shirt with a hole in the back. All of the shirts were saturated with blood and no apparent blood spatter stains were visible to the shoes, socks, or shirts. A white shirt and headband were around his head covering his hair. No jewelry was visible on his body.

Signs of medical intervention included: several ECG patches on his chest and abdomen. A gauze bandage was located on the left side of his chest near his nipple. Apparent blood drips were visible on both the right and left sides of his mouth extending downward toward the back of his head. Indentations were visible around his wrists which appeared to be from the handcuffs, and around his head possibly from the headband/t-shirt. Head hair standards, pubic hair standards, beard hair standards, fingernail clippings and a reference blood kit were collected pending any requests for further analysis. The handcuffs from around his wrists were removed and collected. A gunshot residue kit was collected from his hands.

Several wounds were visible on his body. These included: several punctures and lacerations on his his lower right arm (possibly from a dog bite), wound on his right index finger, tiny apparent puncture wound on the right side of his abdomen (possibly from a taser probe), an apparent bullet wound in his left chest near his nipple, an apparent bullet wound on his back left side adjacent to his arm pit area, and an apparent bullet wound on the right side of his back near the spine. Three bullets were collected from Ward and include: one from the right side of the abdomen, one from the mesentery and one from the right side of the rib cage above the liver. See Coroner's Case Number 15-558 for further details regarding external and internal injuries and approximate trajectories of the gunshots.

The overall appearance of Ward, his injuries and clothing were documented with a series of 134 digital images that were saved to DVD. A contact sheet displaying these images and their descriptions is attached. We left the Coroner's Office at approximately 1030 hours.

Right to Cancel Hearing: Information for the Person in ①

- If item ④ (a)(2) or ④ (a)(3) is checked, the judge has denied some or all of the temporary orders you requested until the court hearing. The judge may make the orders you want after the court hearing. You can keep the hearing date, or you can cancel your request for orders so there is no court hearing.
- If you want to cancel the hearing, use Form DV-112, *Waiver of Hearing on Denied Request for Temporary Restraining Order*. Fill it out and file it with the court as soon as possible. You may file a new request for orders, on the same or different facts, at a later time.

- If you want to keep the hearing date, you must have all of the documents listed in item ⑤ served on the other person within the time listed in item ⑤.
- At the hearing, the judge will consider whether denial of any requested orders will jeopardize your safety and the safety of children for whom you are requesting custody or visitation.

You cannot own, have, possess, buy or try to buy, receive or try to receive, or otherwise get guns, other firearms, and/or ammunition while the order is in effect. If you do, you can go to jail and pay a \$1,000 fine. You must sell to or store with a licensed gun dealer or turn in to a law enforcement agency any guns or other firearms that you have or control. The judge will ask you for proof that you did so. If you do not obey this order, you can be charged with a crime. Federal law says you cannot have guns or ammunition while the order is in effect.

Service of Order by Mail

If the judge makes a restraining order at the hearing, which has the same orders as in this form, you will get a copy of that order by mail at your last known address, which is written in ②. If this address is incorrect, or to find out if the orders were made permanent, contact the court.

Child Custody, Visitation, and Support

- **Child custody and visitation:** If you do not go to the hearing, the judge can make custody and visitation orders for your children without hearing from you.
- **Child support:** The judge can order child support based on the income of both parents. The judge can also have that support taken directly from a parent's paycheck. Child support can be a lot of money, and usually you have to pay until the child is age 18. File and serve a *Financial Statement (Simplified)* (Form FL-155) or an *Income and Expense Declaration* (Form FL-150) if you want the judge to have information about your finances. Otherwise, the court may make support orders without hearing from you.
- **Spousal support:** File and serve an *Income and Expense Declaration* (Form FL-150) so the judge will have information about your finances. Otherwise, the court may make support orders without hearing from you.

Instructions for Law Enforcement

This order is effective when made. It is enforceable by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Law Enforcement Telecommunications System (CLETS). If the law enforcement agency has not received proof of service on the restrained person, and the restrained person was not present at the court hearing, the agency shall advise the restrained person of the terms of the order and then shall enforce it. Violations of this order are subject to criminal penalties.

Arrest Required if Order Is Violated

If an officer has probable cause to believe that the restrained person had notice of the order and has disobeyed the order, the officer must arrest the restrained person. (Penal Code, §§ 836(c)(1), 13701(b).) A violation of the order may be a violation of Penal Code section 166 or 273.6.

If the Protected Person Contacts the Restrained Person

Even if the protected person invites or consents to contact with the restrained person, the orders remain in effect and must be enforced. The protected person cannot be arrested for inviting or consenting to contact with the restrained person. The orders can be changed only by another court order. (Pen. Code, §13710(b).)

This is a Court Order.

Conflicting Orders—Priorities for Enforcement

If more than one restraining order has been issued protecting the protected person from the restrained person, the orders must be enforced according to the following priorities (see Pen. Code, § 136.2, and Fam. Code, §§ 6383(h), 6405(b)):

1. **EPO:** If one of the orders is an *Emergency Protective Order* (Form EPO-001), and it is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders.
2. **No-Contact Order:** If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence in enforcement over any other restraining or protective order.
3. **Criminal Order:** If none of the orders includes a no-contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. Any nonconflicting terms of the civil restraining order remain in effect and enforceable.
4. **Family, Juvenile, or Civil Order:** If more than one family, juvenile, or other civil restraining or protective order has been issued, the one that was issued last must be enforced.

Child Custody and Visitation

- The custody and visitation orders are on Form DV-140, items ③ and ④. They are sometimes also written on additional pages or referenced in DV-140 or other orders that are not part of the restraining order.
- **Forms DV-100 and DV-105 are not orders. Do not enforce them.**

Police eventually arrived and I told them what happened. They took pictures of my injuries, but refused to either let me back in my own home, or remove my son from the home. I have been forced to live with friends ever since because De Wayne refuses to let anyone into the home. I went back the same day with apartment management to try to get some possessions and he refused to let us in.

I went back to the apartment a week later (the first week of January 2015) to try to get back in. De Wayne again refused to open the door, telling me to go away. When I persisted in trying to get him to let me in, I told him I was going get his sister [REDACTED] to help me get him out of there. He then said, "You bring her, I'm gonna kill her ass."

I have been forced to then live with friends since. Police refused to assist me with either getting De Wayne out of my home or through issuing me an emergency protective order. They have told me they won't do anything unless I get a restraining order. This information was given to me by Officer K. Smith of the Antioch Police Department (# 5317, L&# 14-12670).

13. Narrative / Statements

On 08/20/2011, I was assigned to Building 6A at the West County Detention Facility. Building 6A houses general population inmates.

At approximately 1655 hours, I was preparing to conduct a count of all inmates on Building 6A. I noticed all inmates were locked inside their assigned rooms with the exception of inmate Ward, Dewayne. Inmate Ward was sitting on a table near room #28.

Inmate Ward is described as a 6'0" 290 lbs male in his mid 20's.

It is a violation for an inmate to be out of their assigned room during a facility count.

I recognized inmate Ward as a new inmate. Ward arrived at the West County Detention Facility on today's date at 1322 hours.

I walked over to where Ward was sitting and asked him to walk to the 6A interview room. My intention was to inform him of his policy violation. Ward initially complied with my directive. With approximately 1.5' distance between Ward and I, I proceeded to walk behind him towards the 6A interview room. As we approached the threshold of the door, inmate Ward stopped, which caused me to get closer to Ward. I told Ward to "get in the room". Ward then violently turned his body and extended his left elbow, striking me. I was able to block his strike with my left forearm. I immediately positioned myself to Ward's back and attempted to place him in a right shoulder lock, in an attempt to take Ward to the floor. My attempt was unsuccessful. I gave numerous commands to Ward to stop resisting and to give me his hands. Ward refused all my orders.

Deputy Brady, who was assigned as an escort/cover Deputy, heard me tell Ward to stop resisting and responded. See Deputy Brady's supplemental report.

Ward was holding on to the door frame with his right hand and refusing orders to let go of the door frame. Deputy Brady was able to break Ward's grasp on the door. I was still positioned on Ward's back. Deputy Brady and I were able to push Ward against the back wall of the interview room. At this point Ward was facing the wall and had his hands up towards his chest area. Deputy Brady and I were forcing Ward against the wall. In the position Ward was in, he was able to place his hands behind his back. I gave numerous commands for Ward to give me his hands, all of which were unsuccessful. Ward was able to use the wall to push off, with his hands, both Deputy Brady and I back approximately one arm's distance from the wall. Ward began to violently thrash his body from side to side, swinging his arms striking Deputy Brady and I multiple times. Ward attempted to run out of the interview room.

Deputy Montoya responded and met Ward at the threshold of the door. Refer to Deputy Wentz' supplemental report for Deputy Montoya's who received injuries sustained while attempting to overcome Ward's resistance requiring hospitalization. Deputy Montoya was transported and treated at John Muir hospital.

13. Narrative / Statements

Deputies Montoya, Brady, and I were able to get Ward to the floor. Ward was in the prone position, actively resisting, with his hand tucked underneath his body. It should be noted that we had not been able to determine if Ward was armed with any type of weapon. I tried to grab Ward's arm and pull it from underneath his body, but he was too strong. I told Ward to, "Give me your hands" approximately 10-15 times, but Ward refused. Deputy Brady deployed his Taser on Ward in an attempt to allow Deputy Montoya and I to gain control of his hands, which was unsuccessful. See Deputy Brady's supplemental report. In an attempt to overcome Ward's resistance and handcuff and control him, I kneed Ward several times in the torso, upper legs and arms. Ward seemed impervious to pain compliance techniques that deputies were employing, refusing to comply with our orders to cease fighting and resisting us.

Deputy Brady was able to gain control of Ward's right hand and secure it with a single hand cuff. After approximately 1-2 minutes of attempting to manipulate Wards left hand, we were able to place it in a single handcuff. Due to Ward's very large size, we used 4 hand cuffs linked together to restrain Ward's hands.

West County Medical Staff was requested and responded. Nurse Candice evaluated Ward and determined he needed to be transferred to the Contra Costa Regional Medical Center (CCRMC) for the injuries he sustained during this incident and Taser deployment.

I noticed Ward received a laceration to his upper lip and an approximate 1" laceration under his right eye. Ward refused to answer any questions after this incident and did not complain of any pain.

Deputy Kim transported Ward to CCRMC.

Deputy Montoya was transported to John Muir Medical center for a fractured left hand.

Photographs were taken of this incident and attached to the report.

Sergeant Buford was advised and responded.

13. Narrative / Statements

This is a supplemental report to Deputy Santos's original report.

On 8-20-11, I was assigned as escort 2 at the West County Detention Facility. I was on building 6 assisting Deputies Montoya and Santos with dinner service.

At approximately 1650 hours, I was standing on 6B. I looked across the module and saw Deputy Santos walking with an inmate later identified as Ward, Dewayne in front of the Deputy Desk toward the 6A interview room. I heard Deputy Santos tell Ward to "Get in the room." I went to assist Deputy Santos.

As I approached the 6A interview room Ward and Santos stumbled into the interview room and Ward turned toward Deputy Santos. I attempted to take control of Ward's arm but he resisted my efforts. I told Ward to get on the ground and drove my knee into Ward's leg in attempt to buckle his leg and take him to the ground to control his movements. Ward pulled away from me and began swinging his arms side to side. Ward was able to push his way out of the 6A interview room past myself, and Deputy Santos and Deputy Montoya who arrived in the room. See Deputy Wentz's supplemental report for Deputy Montoya's statement.

After Ward pushed us out of the interview room we were able to get Ward to the ground on his stomach. I used a 2 on 1 rock out to dislodge Ward's right arm. I was able to handcuff Ward's right arm. I could not maintain control of Ward's arm. I heard Deputy Montoya state that his hand was broken.

Attempts to subdue the Ward seemed ineffective up to this point. I deployed my electronic control device, an X-26 Taser (X00-608540), and pointed it at Ward's back. Ward refused to follow my orders. I discharged the electronic control device into Ward's back and buttock area. Ward was tased multiple times by me during the struggle in an attempt to gain compliance. After each time I reevaluated the situation, giving repeated verbal commands. Ward did not comply at any point. Ward was actively resisting our attempts to handcuff and control him. At one point my hand became tangled in the taser wires causing me to receive a small shock. Ward thrashed about and knocked the taser cartridge off the taser.

Several other Deputies arrived on the building and began to assist us in handcuffing Ward. Ward's movements cause me to stumble backward. I stood up and used my taser camera to document what was occurring at that time. While I was examining my hand, Deputy Montoya took the taser and put it against Ward's back but did not cycle the taser.

As multiple deputies arrived we gained control of Ward. Ward was eventually handcuffed.

Nurses Candice, and Lee Ann of WCDF medical responded and tended to Ward's injuries. Nurse Candice removed the taser probes from Ward's body.

See Deputy Santos's original report for the conclusions of the incident.

13. Narrative / Statements

This is a supplemental report to DR 11-14819. On Saturday August 20, 2011 I was assigned as Escort 1 at West County Detention Facility. At approximately 1700 hours I was in Intake when Deputy Montoya advised on the radio for available escorts to respond to building 6A. I ran from Intake to building 6A. As I was running to the building Central Control was asking Building 6 of they were code four, each time there was no response. As I entered the front door of building 6A, I saw a black inmate, later identified as Ward, Dewayne, in a facedown position right outside the interview room violently resisting, kicking and fighting. Deputies Montoya, Santos, Lujan, Kim and Ellis were on top of him attempting to gain control of his arms and compliance so he could be handcuffed. I also noticed at this time Ward had X-26 Taser prongs sticking out of his upper buttocks. I immediately had my attention drawn to the building where there were approximately twenty plus black inmates out of there rooms on the upper left tier yelling. I went upstairs told all the inmates out of their rooms to lockdown. As I was coming back down the stairs I saw Ward was still resisting and kicking, all while receiving another cycle on the X-26 Taser. The Deputies on top of Ward were attempting to gain control of Ward's arms while the X-26 Taser was being deployed however they were unsuccessful in securing his arms due to Ward's large size. Once downstairs I went over by Ward's face where he was thrashing about on the floor and used my foot to hold his head down to the ground. Deputy Brady was able to secure one of Ward's hands with the handcuff. After approximately 2 more minutes of struggling with Ward, and the arrival of additional Deputy Sheriffs and the additional use of the X-26 Taser we were finally able to overcome his resistance and handcuff him. I called for Medical to respond to Building 6 to examine inmate Ward.

Deputy Montoya sustained an injury during this incident requiring hospitalization. He was subsequently transported to John Muir Hospital and was unable to write his statement of what occurred, due to a broken left hand. This is also his writing hand. Deputy Montoya told me the following statement in summary:

On August 20, 2011 he was assigned as the primary Deputy on Building 6B. At about 1700 hours he was sitting at the 6B desk when he heard yelling coming from behind him on the A-side of the building. He said he turned around and saw Deputy Brady moving quickly towards the interview room. Deputy Montoya said he got up and ran over to the interview room to see what was going on. He said he saw Deputy Santos and Deputy Brady struggling to gain control of a black inmate later identified at Ward, Dewayne. Deputy Montoya said that Ward started coming out of the room towards him, fearing that Ward was attacking him he punched him in the face with his left handed closed fist. As Ward was coming out of the room Deputy Montoya said he delivered knee strikes to him as Deputy Santos and Brady took Ward to the ground. He said when they got Ward to the floor he was fighting and kicking and would not comply with their orders to place his hands behind his back. Deputy Montoya said he was yelling for Ward to stop resisting and give them his hands. Deputy Montoya said he struck Ward in the head with his closed fist while attempting to gain control of one of Ward's hands. It was at this time Deputy Montoya said he felt his hand break. Deputy Montoya said he told Deputy Brady to get his Taser out and tase Ward. Deputy Montoya said

Deputy Brady pulled the X-26 Taser out of his holster and tased Ward while he and Deputy Santos attempted to secure his hands in handcuffs. Additional Deputies arrived on the building, and Montoya said he was able to shove his knee under Ward's body and they were able to handcuff Ward using three sets of handcuffs.

13. Narrative / Statements

This report is a supplemental report to Deputy Santos original report.

On 08/20/2011, I was assigned as the primary deputy on 8A at West County Detention Facility. At approximately 1655 hours, I was about to conduct my formal count when I heard building 6 requested an additional deputy to respond to the building. I could hear the deputy's voice appeared to be distressed as if unusual activity was happening.

I left building 8 and I heard Aide Hummel from central control ask building six if they were code 4. I did not hear a response and continued towards building six. As I arrived at building six I heard Sgt. Buford request all available deputies to respond until it was determined building 6 was code 4.

Aide Hummel from central control asked a second time if building 6 was code 4. There was still no response. I approached the front of building 6 and I could see multiple deputies on top of an inmate, later identified as S-Ward. Ward was laying face down, his feet were pointing towards the front door and his head was facing the deputy station. Ward's yellow pants were partially pulled down to about his mid thigh, exposing his buttocks. I could see a set of prongs from the cartridge of the taser were sticking out of each of Ward's buttocks.

I did not want to interrupt the cycle of the taser so I moved towards Wards head. Deputy Wentz was standing in front of Wards head. I could see Ward was still resisting and attempting to get up. Deputy Wentz placed her left foot on the top of Wards head to keep him from lifting up and she was yelling orders for Ward to lie down and put his hands behind his back. Ward continued to resist and was not complying with the directions.

Deputy Wentz removed her foot from the top of Wards head. I knelt down to the left side of Wards head and grabbed hold of Wards hair. Wards hair was approximately 2 to 3 inches long in length and rolled into "dreads" or braids. With my right hand I grabbed hold of several braids and pushed Wards head towards the floor. I yelled multiple times for Ward to put his hands behind his back. Ward did not comply and continue to resist. I continued to push Wards face down towards the floor.

Deputy Somers had Wards left arm handcuffed and somewhat secured behind his back. An additional set of handcuffs was looped through the first set. I could see V-Deputy Montoya pulling Wards right arm back towards his back in order for the second set of handcuffs to be placed on Wards right arm.

Just as Deputy Montoya was about to place Wards right arm into handcuffs Ward was able to twist his arm away from Deputy Montoya, preventing him from being handcuffed. After several more attempts Deputy Montoya was able to place an additional set of handcuffs in order to secure Ward. Deputy Montoya advised us that he believed he broke his hand.

Once Ward was secured I locked down all the inmates on the B-side and conducted formal

13. Narrative / Statements

On February 3, 2015, I was requested by Sergeant Gardner to document an officer involved fatality. Crime Scene Investigator Crain was assigned to assist. According to Detectives, Deputies from the Civil Unit, along with K9 Deputy Piller and his K9 Anavi, were at the location to remove Ward from the location. Deputies made entry into the location and Ward locked himself in the bedroom of the apartment, reportedly armed with a knife. Deputies reportedly utilized pepper spray, deployed a taser and a K9 before Ward was shot. We arrived at Antioch Police Department, to document Deputy Piller, at approximately 1420 hours.

Deputy Piller was in full Sheriff's uniform, including his duty belt, when we arrived at the Antioch Police Department. His uniform consisted of: a long sleeved black shirt, black pants, black boots and duty belt. Several white areas were visible on: right cuff of the sleeve, right elbow, right shoulder, left rear pants pocket, right rear keeper of his duty belt, back left side of the shirt, taser holster, bottom of the gun holster and the back of the duty belt between the pepper spray holder and flashlight. The white material is possible transfer from the apartment wall as Deputy Piller advised that he was backed up against a wall during the incident. No damage or apparent blood were visible on his uniform or on his person and no injuries were visible. The duty belt contained a weapon in a holster, two spare magazines, taser in holster, pepper spray in holder, flashlight and a set of handcuffs. The weapon was a Sig Sauer P226 .40 caliber pistol, serial number U759568, with a TRL-1s Streamlight tactical light affixed to the weapon. A "Winchester 40 S&W" cartridge was collected from the chamber of the weapon. The magazine contained (9) "Winchester 40 S&W" cartridges. Each of the spare magazines contained (12) "Winchester 40 S&W" cartridges. A gunshot residue kit was collected from Deputy Piller's hands. We left the police department at approximately 1600 hours and arrived at the apartment complex at approximately 1620 hours.

1020 Claudia Court is a multi-unit, multi-level apartment complex on the north side of the street. Apartment 22 is located in the southeast building of the complex on the second floor. A set of stairs leads from a walkway to the north side of the apartment and the front door. A key was collected from the exterior entryway of the apartment. Damage was visible to the front door, door knob and doorframe of the apartment. The interior of the apartment consisted of: a living room, dining room, kitchen, hallway, bathroom, bedroom and balcony. The living room, dining room, kitchen and bedroom were cluttered with several miscellaneous items, dirty dishes, garbage and rotting food items. The balcony door and balcony screen door were partially open. A set of handcuffs were collected from the hallway. The bedroom door was broken into several pieces and was located on the hallway and bedroom floors. The bedroom consisted of: two mattresses, a nightstand between the mattresses, a dresser, television and television stand, several boxes and luggage. Several items of clothing and food were strewn on the mattresses and floor of the bedroom. Brown stains, which appeared to be feces, were located on the bedroom floor and bottom of the bedroom door.

Three "Winchester 40 S&W" cartridge cases with circular firing pin impressions were collected from the bedroom doorway area. One was adjacent to the north side of the bedroom doorframe, one was near the bedroom door in the hallway beneath a portion of broken door and one was just inside the bedroom door beneath a portion of the broken door. No apparent bullet damage was located within the apartment. A knife, with a blade approximately 7" long and a wooden handle, was located just inside the bedroom doorway adjacent to the north wall. A white chunky substance, which appeared to be cottage cheese, was located on the blade of the knife as well as on the handle and in a container near the knife.

Several apparent bloodstains were located in the apartment. The broken pieces of door in the hallway had several stains. These included: a swipe type stain, a transfer of blood from a bloodied object to another surface by some form of lateral motion; a small blood pool; and a wipe type stain, a stain created when an object moves through a preexisting bloodstain on a surface, through the blood pooled area. Additional stains were located on: the wall heater (stains A and B), northeast corner wall adjacent to the heater (stains C and D), refrigerator (stain E), south living room wall (stain F), east hallway wall (stain G) and a vacuum in the bedroom (stain H). These stains tested positive with a presumptive test for blood. Swabs of the stains and controls were collected. The majority of the stains (A-F) appeared to have been contact transfers, created when a bloody object comes into

contact with another surface. The stain that was located on the wall (D) and the one on the refrigerator (E) appeared to have been one continuous stain. The stain on the east hallway way (G) were downward drips and may not be related to this incident. A series of small spatter stains, circular or elliptical in shape that are the result of some type of impact, were visible on top of the base portion of the vacuum (H) located in the bedroom.

Ward was lying on the floor of the living room with his head oriented toward southeast and his feet toward the northwest. He was wearing: a white tank top, camouflage thermal long sleeved shirt, black t-shirt, black shirt with the sleeves cut off, red boxer briefs, white socks, white/red/black shoes and a white shirt wrapped around his hair. The shirts appeared to have been cut by medical personnel. His hands were handcuffed behind his back. An apparent blood flow was visible from his mouth. Signs of medical intervention were visible on his chest and abdomen. Taser probes were located in his clothing on the right lower torso and on the left shoulder areas. The taser cartridge and wires were collected from beneath a piece of the broken bedroom door in the hallway approximately a foot from Ward's left shoulder. Apparent dog bite wounds were visible on his right forearm. Three apparent gunshot wounds were located on his left chest, back of the left shoulder and upper back. See CSI Crain's supplement regarding the details of the wounds and autopsy.

At approximately 2030 hours, I responded to the Field Operations Bureau to document the remaining Deputies that were present during the incident. Deputies Catuiza, McDonald, Bullard and Sergeant Buford were all in full uniform with a duty belt. Deputy Watling was wearing a Sheriff's Office polo shirt and tan pants. Deputy Sullivan was wearing jeans, a long sleeved shirt and green Sheriff's vest. No damage was visible to any of the uniforms or duty belts. No injuries were visible to any of the Deputies and all of the Deputies advised that they did not sustain any injuries during the incident. Apparent blood was visible on the lower left leg of Deputy Watling and on the right boot of Deputy Bullard. Both of the apparent bloodstains appeared to be contact transfers created when a bloody object comes into contact with another surface. Swabs of these stains were collected. Deputy Bullard advised that he deployed his taser during the incident. I retrieved his taser, serial number X00-625410, from Detective Holland who had collected it prior to my arrival.

The overall appearance of the location, Ward and Deputies were documented with a series of 240 digital images that were saved to DVD. A contact sheet displaying these images and their descriptions is attached. We left the location at approximately 2128 hours.
